A school place for your child in September 2018

Dear Parent / Carer,

Starting school is a momentous and exciting time in a child's life. It can be a time when both pupils and their parents or carers need support, advice and information about the admissions process.

This booklet contains a wealth of information to help you consider the right schools, make an application and understand how the application process works. It provides a profile of all Brighton & Hove infant, junior and primary schools alongside information about admission arrangements. Please read it carefully, look at the school websites and take the opportunity to visit the schools in your area before applying.

The council's website is the easiest way to make your application. The advantages are that you will get automatic acknowledgement of receipt of your application, and that you will receive notification of the decision on your application by email on National Offer Day – 16 April 2018.

Please note that parents / carers have the right to express a preference rather than choose a school. Sometimes there are more applications for a school than there are places available. When this happens we will use the admission priorities* described in sections 4 & 5 to decide which children will be offered a place at that school and which will be offered an alternative place.

The first, second and third preferences you give will all be considered together and we will offer your child a place at the highest ranked preference we can. If the council cannot meet any of your preferences, we will offer your child a place at the nearest school with places available, but this may not be your nearest school.

We want what you want - a school where every child has the opportunity, encouragement and guidance to thrive and fulfil their true potential. Our schools offer a broad range of activities both in and outside school time, including the chance to participate in a wide range of musical and sporting activities as well as opportunities to make new friends. We are pleased with the quality and diversity of schools across Brighton & Hove, with results across most areas above the national average.

Whichever schools you decide to apply for, all Brighton & Hove residents should apply through Brighton & Hove City Council. Visit www.brighton-hove.gov.uk/schooladmissions to make your online application.

After reading this booklet, if you have unanswered questions our school admissions team is ready to assist on 01273 293653 or at schooladmissions@brighton-hove.gov.uk. Please note: the **closing date for applications is 15 January 2018**.

We look forward to welcoming your child to one of our schools in September 2018.

Yours faithfully,

Pinaki Ghoshal

and Learning

Before you make your application

- ✓ **DO** talk to your child about school preferences
- ✗ **DON'T** be influenced by others. The right school for other children is not necessarily the right school for your child.

1 Visit schools

Ensure that you are entirely happy with your expressed preferences before submitting an application

The times for open days and evenings for Brighton & Hove Schools are given on pages 24-31 of this booklet

2 Read Ofsted reports

You can view reports at www.ofsted.gov.uk

3 Look at the school's prospectus

You can get this information from the school. It will give you an idea of the school's ethos, character and national curriculum test results

4 Look to see how many places each school has available.

This is called the published admission number* or PAN. This number is set to take into account the number of pupils each school site can accommodate and how many places are needed in the local area

The admission number for each school is listed under each school's entry on pages 24-31

5 Consider how likely it is that your child will be offered a place at your preferred schools.

Read the admissions criteria for each school and look to see which criteria apply to your child. The admissions criteria for Brighton & Hove schools are listed in sections 4 and 5. Look at allocation information from previous years which is available on the council's website

6 Consider how your child will travel to and from school.

7 Use your three preferences

Select three different schools. Do not list the same school three times

Applications received at any time will only be processed when proof of address has been received (see page 22)

Maximise your chances

All applications will be subject to the published admissions criteria

Apply on time

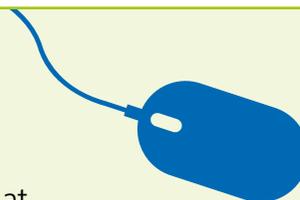

- The closing date is **15 January 2018**
- Any applications received after this will be processed after the majority of places have been allocated unless considered late with good reason
- A late application therefore means you are much less likely to get what you want
- Notifications of the places offered will be made on **16 April 2018** (unless your application is late)

Use all three preferences

1
2
3

- You could disadvantage yourself if you don't use your opportunity to express a preference for three schools
- Each preference is considered in its own right, so give yourself three separate chances
- We only look at your order of preference (1st, 2nd or 3rd) if the system is able to offer you a place at more than one of your preferences

Apply online

- You can apply online at www.brighton-hove.gov.uk/schooladmissions from 1 **September 2017**
- You will be able to view and update your application until the closing date
- Communication with you will be quicker
- You will receive email notification of the outcome (rather than have to wait for the post to arrive)

Choose wisely

- Consider the school's oversubscription criteria
- Don't assume you will be allocated a place at your closest school if you don't state it as one of your preferences
- Don't assume your child will get priority just because they attend a nursery school within the area of the primary school

Applying for a school place

There are two ways to make your application for a school place if you are a Brighton & Hove resident and your child is due to start at infant, primary or junior school* in September 2018, or if you are applying for a school place during the year.

It can be done either:

- Online via our website www.brighton-hove.gov.uk/schooladmissions

or:

- On a paper application form. Copies are available from the school admissions team on 01273 293653 or email schooladmissions@brighton-hove.gov.uk

If you are applying online for a church voluntary aided school, most of the schools require completion of a **supplementary information form (SIF)**. This enables governors to rank applications correctly against the school's admissions criteria.

Remember to send the SIF and any other required documents to the school by the closing date.

If you are applying online to a community school but are providing supporting documents about exceptional circumstances, those documents should be sent to the school admissions team (see section 4).

If you decide to apply online we strongly recommend that you do not leave it until the last minute. Our technical systems are robust, but high demand could make it difficult for you to access the system if many other parents are trying to log in at the same time.

You can access the website:

- At home
- At an internet café
- At a library (if you are a library member you can get free internet access at any Brighton & Hove library).
- On your phone or tablet

If you experience any problems in accessing or using the Brighton & Hove online admissions site, please contact us by email at schooladmissions@brighton-hove.gov.uk or telephone on **01273 293653**.

In the September 2017 round of admissions 95% of parents applied online. **The benefits of applying online** include the following:

- It's quick, safe and secure
- There is no risk of your application getting lost or delayed in the post
- If you want to change your application, it's easier and quicker to do it online until midnight on the closing date of **15 January 2018**
- The online facility is available 24 hours a day, seven days a week from September 2017
- You will receive email confirmation that we have received your application. Paper applications are not acknowledged
- You will not have to wait for the post to find out the outcome of your application – apply online and your decision will be sent to you by email on National Offer Day – **16 April 2018**
- There are links to other websites that can provide you with useful information about schools

When should my child start school?

- In Brighton & Hove children start school in the school year during which they have their fifth birthday.
- The school year runs from September to August, so any child who reaches his / her fifth birthday between **1 September 2018 and 31 August 2019** should start school in September 2018.
- Your allocated school will tell you the starting date.
- Children are allowed to start full-time in September or defer admission until they reach compulsory school age (or until the start of the summer term if this is earlier). Your child can also attend part-time initially, but you will need to discuss this with the school at which your child has been offered a place.

Please use the table below to see what options are available to you

Child's birthday	Options
1 September – 31 December (autumn born)	Child can attend full or part-time from September or defer admission until January.
1 January – 31 March (spring born)	Child can attend full or part-time from September or defer admission until January or start of summer term.
1 April – 31 August (summer born)	Child can attend full or part-time from September or defer admission until January or start of summer term.

Your child can also attend part-time initially, but you will need to discuss this with the school at which your child has been offered a place.

How do I defer admission to an infant or primary school?

If you decide to defer admission, you **must** inform your allocated school when you accept the place. Where a place is deferred it will not be given to another child but your child must enter the school by the beginning of the school term following their fifth birthday and within the school year that the offer was made.

If your child's fifth birthday falls between 1 September 2018 and 31 December 2018 he / she would normally start school in September 2018. However, you may defer until January 2019.

If your child's fifth birthday falls between 1 January 2019 and 31 August 2019, you can ask to defer admission until the beginning of January 2019, or until the start of the summer term.

If your child's fifth birthday falls between 1 April 2019 and 31 August 2019 and you choose not to send your child to school until the September following their fifth birthday, an application under the 2019-20 admissions policy will be required and will normally be considered for Year 1 rather than a Reception class.

In exceptional circumstances, children may be admitted to school in a different year group. This is usually due to concerns in relation to a child's development.

If you would like to request for your 'summer born' child to start school **outside of their normal age group**, and be admitted to reception rather than Year 1, please follow the process on the following page.

Admission to a year group outside the normal age group (for summer born children only)

The process for requesting admission to reception rather than Year 1 is as follows:

Parents should apply for the 'normal' year (reception) for their child. The 'normal' year in this case is the academic year when your child will be five years old – between 1 September and 31 August.

When you apply, you should inform the school admissions team **in writing**, that you do not wish to send your child to school until the September after their fifth birthday and **request** that your child is admitted out of their normal age group – to reception rather than Year 1. Your letter or email should include reasons for your request and any evidence to support your case. Evidence could include:

- Whether your child is summer born
- Information about your child's personal, social, emotional and academic development
- If relevant, medical history and views of a medical professional
- Whether your child has previously been educated out of year-group
- Whether your child was born prematurely.

The council, or the school if it is its own admissions authority, will consider each case on its merits taking into account the child's best interests.

Where the council is the admissions authority, we will consult the headteacher of the school where the child is most likely to be allocated a place before a decision is taken. We will ensure you are aware of whether your request for admission out of year-group has been agreed before the final offers are made in April. Any reasons for refusal will be shared with you.

If your request is refused, your child will still be considered for admission to their normal age group. If we agree to your request, your child will be admitted into reception rather than Year 1 the following year; but you would need to apply again for a reception place for that year. Places cannot be reserved until the following year.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

An application from a child who would 'normally' be a Year 1 child for a reception place will be considered alongside applications for reception.

How do I get a Year 3 place for my child at a primary school?

If you want to move your child from an infant school* to a primary school rather than a junior school* you will need to follow the steps in the box below.

- 1) Apply online or complete and return a **junior** application form expressing a preference for a **junior school*** and return it to your child's current school by 15 January 2018. This will ensure that your child has a junior school* place in case it is not possible to offer a place at the primary school you prefer. If you list a preference for a **primary** school on your junior application it will not be processed.
- 2) You will then be offered a junior school* place in April.
- 3) When you have been notified of your child's junior school* place, you should apply online for the primary school(s) you prefer using the in-year primary round or request an **in-year application form*** from the school admissions team, and return this to the team before Summer half-term 2018.
- 4) We will then check whether it is possible to offer your child a place at the primary school you prefer. If we are able to offer a place at the primary school, we will do so and take away the junior school* place. You will get a decision in the second half of the summer term.

If your child is not currently attending a Brighton & Hove school, please return your form to the school admissions team by the same deadline.

2

Making an application

Always use the online facility **or** preference form* provided by Brighton & Hove City Council if you are a resident of Brighton & Hove. If you live anywhere else you must use the preference form* or the online admissions facility provided by your local council even if you would like your child to attend a school in Brighton & Hove

Deciding about preferences

You should decide which schools you would prefer your child to attend and then complete the form enclosed with this booklet or an online application listing up to three different preferences.

You do not have to express three preferences but if you only give one preference and are not offered a place at that school, you will be offered a place at the nearest school with an available space after everyone else's three preferences have been considered.

This may mean that by the time we look at allocating a place for your child, your local school may be full and your child may have to travel some distance to get to school.

Please remember that each of your preferences will be considered equally and separately. Listing second and third preferences will not affect your chance of being offered your first preference.

Your first preference will only be considered above your second or third preference if we can offer your child a place at more than one of your preferred schools.

In that case we will offer you the highest ranked one we can, so please make sure you like your first preference more than your second preference and your second preference more than your third.

The following examples are provided to illustrate what may happen. Please note: these are only possible scenarios. They are in no way a guide to oversubscription* levels. Please do not assume that if your situation is the same as one of these examples, your application will inevitably have the same outcome

Example 1

Mohammed lives in Hangleton

His parents are keen for him to attend a local school. They express the following preferences:

1. Goldstone Primary
2. West Blatchington Primary
3. Hangleton Primary

Goldstone is oversubscribed with first, second and third preferences. Mohammed does not live close enough to Goldstone to be offered a place there. However, he can be offered a place at both West Blatchington and Hangleton.

Because West Blatchington was higher on his preference list than Hangleton he is offered a place at West Blatchington.

Example 2

Elijah lives in Hanover

His parents are not sure whether they live nearer to St Luke's Primary or Elm Grove Primary but they would like him to attend Elm Grove as his cousins go to this school. They list the following preferences:

1. Elm Grove Primary
2. Fairlight Primary
3. St Luke's Primary

All three schools are oversubscribed. Although Elijah lives closer to Elm Grove than St Luke's he still lives further away than 60 of the other children whose parents have applied for a place there so it is not possible to offer Elijah a place at Elm Grove.

However, he does live close enough to St Luke's to be offered a place, even though it is slightly further from his home than Elm Grove. Elijah also lives close enough to Fairlight to be offered a place at this school.

Elijah is allocated a place at Fairlight because his parents have ranked Fairlight higher than St Luke's on their application.

Example 3

Agatha lives in central Brighton

Her parents express the following preferences:

1. Middle Street Primary
2. St Paul's CE Primary
3. St Mary Magdalen Catholic Primary

All three schools are oversubscribed. Agatha lives further away from Middle Street than the 30th child who could be given a place at the school so she cannot be offered a place at Middle Street.

Although Agatha does not meet the religious priorities for either St Paul's or St Mary Magdalen she is considered by the governors under their other children criteria.

Agatha does not live close enough to St Paul's to be offered a place but the governors of St Mary Magdalen do have a space for Agatha.

Agatha's parents receive an offer of a place at St Mary Magdalen.

Coordinated admissions

Schools that are their own admission authority*

The council coordinates admission arrangements with church voluntary aided schools, free schools* and academies in the city by using the same preference form* or online application for these schools as for the community schools*. Church voluntary aided schools, free schools* and academies are still responsible for offering places in their schools (see Section 5 to find out how they will make decisions about this).

City Academy Whitehawk uses the Brighton & Hove admissions priorities in Section 4. The council will let parents know the schools' decisions. If your child is not offered a place at your preferred school, the council will offer an alternative place, where possible using your other listed preferences. The council values this joint working with own-admission-authority schools*. It means that all parents will receive one offer of a school place because information about applications is shared.

Other areas

We also share admissions information with neighbouring local authorities. If you live in the city, any applications for schools in the area of another local authority* should be made on a Brighton & Hove application*.

You are entitled to apply to academies, church voluntary aided, free and community schools* in other local authorities, but you must do this through Brighton & Hove City Council if you are a Brighton & Hove resident.

How do I apply to own-admission-authority schools*?

- Church voluntary aided and free schools* have their own admission priorities*. Church voluntary aided schools often give higher priority to children of the faith. These are set out in Section 5. You should check with the school to see if you fulfil their priorities if you have any doubts. If applying to a church voluntary aided or free school or academy you must still apply online to the council or use the preference form* provided with this booklet. City Academy Whitehawk uses the council's admission priorities* listed in Section 4.
- If one of your preferences is a church voluntary aided school you may also be asked to complete a supplementary information form (SIF) or provide other information.
- Where you are required to complete a supplementary information form or provide other information to a church voluntary aided or free school, you should provide it to the school by the closing date of 15 January 2018.

Please note that if you are applying for more than one church voluntary aided or free school, you will need to provide the information to each school separately. If the same information is required by different schools, check whether they will accept a photocopy.

How do I apply for a school place in another local authority* area?

- If you apply to schools in other local authorities, you must do so on the form you return to the school admissions team in Brighton & Hove. We will then forward your application to that admission authority* for a decision and will let you know along with all the other parents who have applied for Brighton & Hove schools.
- If you are applying online you should use the Brighton & Hove online facility if you live within Brighton & Hove even if you are applying for schools outside the city. We will ensure that your application is forwarded to the relevant admission authority*.
- If you apply to an 'out-of-city' school that has been oversubscribed, the further away you live the less likely you are to obtain a place. Check this with the relevant admission authority* before applying.
- If you are resident in the city and do not apply online or return a preference form* to Brighton & Hove City Council you will not be allocated a place at a city school. **If you are not sure whether you live within the boundary of Brighton & Hove City Council, please telephone the school admissions team on 01273 293653 for clarification.**

Special educational needs (SEN)

A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

A child has a learning difficulty or disability if he / she has:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- Has a disability that prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post 16 provision

In most cases special educational needs can be met in mainstream schools. Brighton & Hove City Council is committed to this approach wherever it is practical. Many children have difficulties at some stage in their school career, and often the problem is temporary and can be dealt with by the school.

If you need to talk to someone about special educational needs, or if you think your child may need help when they start school, please contact the council's special educational needs team on 01273 293552

Private fostering

Are you looking after someone else's child?

If you care for someone else's child for a period of more than 28 days this may be a private fostering arrangement.

Private foster carers and parents must notify the council about the arrangement. Information, support and advice can then be offered.

What do I do with my completed application?

Apply online or return the preference form* to your first preference school by 15 January 2018

Applications to primary schools at junior transfer (Year 3) See page 11

Apply online or return junior application as above. Then submit an in-year application to the school admissions team by summer half term

It is your responsibility to ensure that your preference form* arrives on time.

Please remember that proof of posting is not proof of delivery. In all cases, when you return the form to the school, please hand it to a member of staff. If you need a receipt, please ask for one at the time.

We strongly recommend that forms are completed online, returned to schools or delivered by hand to Hove Town Hall wherever possible.

What happens if my application is late?

If your online application or paper preference form* is returned after the closing date without good reason it will be considered after all the on-time preferences have been dealt with and school places allocated to them.

This means there is a much greater chance that you will not get a place at your preferred school as the places may already have been given to other children. It will also mean our response to you is delayed. **This is the case even if you already have older children attending the school.**

If you have a good reason for your form being late, e.g. you have just moved to Brighton & Hove, your form will be considered if it is received by 9 March 2018. You must supply independent supporting evidence of why your form is late (e.g. solicitor's letter confirming exchange of contracts). This evidence must also be received by 9 March 2018.

If we agree that this is late with good reason your application will be treated as if it were submitted on time. If we do not agree, it will be a late application.

If we receive no independent supporting evidence with the form we will assume that you do not have a good reason and your application will be treated as a late application. If you are moving within Brighton & Hove you must still make your application by the deadline and then provide your

revised application and proof of your new address by 9 March 2018. Not knowing about the closing date, forgetting to hand the form in or leaving it in the wrong place are not good reasons for a form being late.

Even if your child has a sibling* at the school you need to complete an application in the usual way.

Please note: Church voluntary aided, free schools and out-of-city schools may not accept these forms as on time. Please check with the school concerned.

If you change any of your preferences, or their order after the closing date, and you have not moved house, that change will not be considered until after 30 June 2018. This is to make sure that parents and carers who do this do not gain an unfair advantage over others by having the opportunity to list more than three preferences

Late applications received for oversubscribed schools* will be placed on a waiting list for that school as soon as possible after the initial school allocations have been made. In the meantime children will be allocated to schools where places are available.

Please note: The school admissions team cannot accept responsibility for delays resulting from late applications, or late receipt of related papers. If forms are returned by post to schools or the school admissions team and received after the closing date they will be regarded as late applications.

We strongly recommend that if returning a preference form* you deliver it to a school as recommended above. Online admissions will be treated as late if submitted after the closing date (15 January 2018).

3

How your application is processed

Please note: where a church voluntary aided or free school is listed as a preference, it will be considered by the governors who will apply that school's admission priorities

Preferences considered equally

- On-time applications will be dealt with using the published admission priorities* listed in Section 4. Late applications with good reason received before 9 March 2018 will be treated in the same way.
- Late applications without good reason will be dealt with using the published admission priorities* listed in Section 4 after the on-time preferences have been processed.
- All preferences will be considered equally regardless of whether you have listed them as first, second or third. If we can offer you a place at more than one of your preferred schools, we will offer a place at the one which features highest in your list of preferences.
- Sometimes we will not be able to offer a place at any of your preferred schools. If this happens we will offer a place at the nearest school to your home that has a place available.
- If the nearest school to your home address is a church voluntary aided school, academy or free school we may contact its governors to see whether they have places available. **If you do not want us to consider allocating a particular type of school* you should let us know on your application. Please bear in mind that this may mean your child has to travel further to attend school.**
- If you are unhappy with your allocated school or with the preferences you listed on your original form, you can submit a revised form listing different preferences. However, if you do this your new form will not be considered until after 30 June 2018 unless you have moved house. This is to ensure that parents who change their minds are not given an unfair advantage by being allowed to list more than three preferences.
- Priority for on-time applications will cease after the initial allocation of school places has been made. Late applications for schools which are full will be added to the waiting list.

How places are allocated

Please note: If a school cannot offer your child a place, it will be because it has met its published limit with children higher on its admission criteria.

Admission priorities for community schools

4

Please read the following information carefully. It will help you to decide whether your child has a good chance of being offered a place at your preferred school

Where there are more applications received for a community school than there are places available, we will use the five admission priorities* listed below to decide who will be given a place.

Children with statements of special educational needs or education, health and care plans (EHCPs) will be entitled to a place at the school named in the statement or EHCP. If the child for whom you are responsible has a statement or EHCP, please ensure that you indicate on your application that this is the case.

Please note: We do not take into account your child's nursery place or current school place, your childminding arrangements or workplace address. We do not consider a child's academic achievements or abilities. The council may contact you at any stage in the process to request proof of your address. All allocations are based on the priorities listed below.

1. Children in the care of a local authority* (looked after children) and previously looked after children

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

In order to offer a place under this priority you will need to supply proof of your child's status. This could be a copy of the adoption certificate or order and a letter from the local authority that last looked after the child confirming that he / she was looked after immediately prior to that order being made.

If you are not sure what to provide, please contact the school admissions team at schooladmissions@brighton-hove.gov.uk or on 01273 293653.

2. Compelling medical or other exceptional reasons to attend the school

This priority is for pupils with a specific need that can only be met by one school rather than any other. If there are medical reasons that make it essential for your child to attend a particular school, you must provide supporting information from a doctor together with any other relevant information when you make your application.

This must make a compelling case as to why your child's needs can only be met at the preferred school, as a medical condition in itself will not automatically result in priority being given.

For this reason, allocations against this priority are rare. It is not essential for the doctor to name the school in question, but the evidence should explain exactly what the child's needs are and what specialist support and/or facilities your child requires. We will seek advice from the consultant community paediatrician, who in most cases will

only agree medical need for a school place if a child has a statement or EHCP as a result of their medical situation.

If you want a place at a specific school for other exceptional reasons, you must provide independent evidence from a professional who is supporting your family. **This should demonstrate that it is essential for your child to attend the preferred school and no other.** Advice may be sought from relevant professionals where necessary to determine whether or not the evidence you have provided is sufficiently compelling to qualify under this category.

The supporting evidence you send needs to set out the particular reasons why the school in question is the most suitable, and the difficulties that would be caused if the child had to attend another school.

It is not essential for the professional supporting your family to have in depth knowledge of your preferred school but the evidence should explain exactly what your child needs and what specialist support and/or facilities your child requires.

It is **vital** that you supply any supporting evidence for compelling medical or other exceptional reasons for admission **by the closing date.** It is up to you to provide this evidence.

The school admissions team will **not** seek information about your child or telephone people on your behalf. The decision will be based solely on the information you send in.

If the evidence you supply is not considered compelling enough to be included in this priority, your application will be considered under priority 3, 4 or 5 as appropriate.

All correspondence will be treated as private and confidential

If you do not want your preferred school to see your supporting medical or other evidence, or if you are applying online, you can send supporting documents by post to the school admissions team or provide scanned copies to schooladmissions@brighton-hove.gov.uk with a covering email giving your application reference. Alternatively, you can reply to the confirmation email generated when you submit your online application with the supporting documents attached.

If we do not receive this information by the closing date, we will not be able to consider your child under this priority, unless it relates to a change of circumstances (such as a new diagnosis) which has occurred since the closing date.

3. Sibling link*

This will apply if there is another child living in the same household as your child who in September 2018 will be attending your preferred school.

Where separate junior and infant schools* are linked (see priority 4 below), the sibling may be at either school and may be older or younger.

If you have two children, of whom one is due to start junior school* and the other infant school* in September 2018, the junior school* child's allocation will be done first and a sibling link* will count for the **infant** child.

A sibling link* is only taken into account if children live at the same main address and the sibling has already been allocated a place at the school. Twins or multiple births do not qualify for the sibling link* unless one child has already been offered a place.

Where a sibling attends a nursery class on the same school site, it will not be counted as a link for admissions purposes.

You may be asked to supply proof that your child has a sibling at the same address who attends the school.

This will normally be a copy of both children's medical cards, showing the same address, or a copy of your child benefit or tax credit statement showing both children's names.

4. Children transferring between a linked infant and junior school (see list)

Children who are attending or have been offered a place at an infant school* in the list below will have priority for places at the linked junior school* providing the allocation took place by 9 March 2018.

Downs Infant ↔ Downs Junior

Hertford Infant ↔ Hertford Junior

Patcham Infant ↔ Patcham Junior

Stanford Infant ↔ Stanford Junior

West Hove Infant
Portland Road ↔ Hove Junior**
Portland Road

West Hove Infant
Connaught Road ↔ Hove Junior**
Holland Road

** Please note there is no link* between West Hove Infant Connaught Road and Hove Junior School Portland Road, or between West Hove Infant School Portland Road and Hove Junior Holland Road

5. Other children

Please note: the council does not use catchment areas for infant, junior or primary schools.

Once all the children in priorities 1, 2, 3 and 4 have been offered places at the school, the remaining places (up to the admission number*) will be offered to other children.

Tie-break

If there are more children applying than places available in any given priority, the available places will be offered to those children living closest to the school up to the published admission number*. Home to school distance will be measured by the shortest route from the child's home to the nearest of the school's gates.

This will be measured by specialist computer software based on Ordnance Survey and postal address data. It measures using the road network supplied by Ordnance Survey and some other public rights of way which are paved and lit.

You can check your home to school distance measurement and the route used on our website schoolroute.brighton-hove.gov.uk

If you would like us to consider adding a footpath, you will need to request this by emailing schooladmissions@brighton-hove.gov.uk or by telephoning the school admissions team on 01273 293653 before the closing date. Late requests for footpaths will not be accepted.

Routes across public parks or open spaces will not be accepted.

When using roads for measurement purposes the computer measures along the middle of the road. It measures from the address point in your property to the nearest point on the road network and from there to the nearest of the school's gates to the child's home. No other measurement systems will be used for school admissions decisions.

Where the home addresses of two or more children are an equal distance from the school (eg two children living in the same block of flats) and only one place remains available at the school in question, the place will be allocated randomly to one of these children.

Home addresses:

- The school admissions team will allocate school places using the address at which a child lives on the closing date for applications.
- If a child regularly lives at more than one address, the team will have to make a decision about which should be the main address for admissions purposes.
- The main address is normally taken to be the address to which child benefit is paid, and where the child is registered with a doctor. However, the team may ask for other proofs of a child's address

Please note: it is an offence to give a false address. If we offer your child a school place based on information which then turns out to be false or misleading, we reserve the right to withdraw the offer and your application will be re-considered based on the correct facts. This may apply even if your child has started at the school offered.

Proof of address

To ensure that offers of school places are made fairly, the council is committed to following strict address verification procedures.

You will need to provide proof of your address using your **council tax reference number** to support your application. The online and paper application will ask for this reference number and the information you provide will be checked against council tax records.

After the closing date, if the school that you have applied for is oversubscribed*, you may be asked to provide further proof of address.

If you have **recently moved into Brighton & Hove** from overseas or another part of the UK and have not registered for council tax in Brighton & Hove, you will need to supply one of the following:

1. A copy of a current tenancy agreement signed by all parties and arranged through a letting / estate agency or solicitor's letter showing exchange of contracts, if you have just moved house.
2. A copy of a recent utility bill for your home address, showing usage - gas, electricity, water, telephone (not mobile phones)
3. A copy of your driving licence
4. A copy of your house insurance policy
5. HMRC Tax notification documentation
6. TV licence (valid for the current year) with your name and address

7. Letter from National Asylum Support Service (NASS) or UK Border Force (UKBA) confirming placement at your address.

We will also require proof that the child you are applying for lives with you. Therefore, please provide a photocopy of your most recent child benefit or family tax credit letter which clearly states your child's name and address.

If you do not receive child benefit or family tax credit, please provide an alternative document to prove your child lives with you. For example: a letter from your child's GP, dentist, hospital, optician; NHS medical card; child trust fund document.

If you do not provide the above proofs by the date asked, we will assume your child lives further away than all the other children applying for the same school. Even if you prove that you live at the address yourself, we still need proof that your child (or children if you are claiming a sibling link) live there as well.

Irrespective of whether you provided a council tax reference number or tenancy agreement, we may ask you to supply further evidence to verify your address or prove a Sibling link*.

Please note: providing proof of address does not guarantee your child a place at your preferred school.

Children who live on boats / traveller children

If you and your child live on a boat or a traveller site and there is no Ordnance Survey / postal address data for your home, we will measure the distance to the site or marina.

Twins / multiple births (or siblings* within the same year group applying for the same school)

No special priority is given for the admission of these children. If it is possible to offer a place at the preferred school to one of the children because it is the last place remaining, both (or all) children will be offered a place. Please indicate clearly on each child's application if they have a twin or other same year sibling also applying.

Remember...

The council uses an 'equal preference system'. This means that all the preferences for each school are considered at the same time. However, you do need to list your preferred schools in order of preference as we will only offer you a place at one school. If it is possible to offer you a place at more than one school, we will allocate the one that is highest on your list of preferences.

Checks are made on information provided by parents / carers.* If a parent / carer* is found to have supplied false or misleading information to gain a place at a particular school, the council reserves the right to withdraw the place, even if the child has started at the school. An example of false information would be the use of an address that is not the child's normal residence.

Please note: it is an offence to give false information to obtain a place at a school. The council will investigate allegations about false information and will consider prosecution in any such case.

Admission priorities

for own-admission-authority schools*

This section sets out the list of priorities adopted by the governors of each own admission authority school in Brighton & Hove.

In the case of church voluntary aided schools you will need to complete the school's supplementary information form and return it to the school.

You will also need to supply a copy of your child's baptismal certificate if he or she has been baptised. If you want to know more, please contact the school.

City Academy Whitehawk will be using the Brighton & Hove City Council admission priorities* which can be found in Section 4

If you wish to apply for more than one church voluntary aided school* you will need to supply this information to all such schools for which you apply.

Please contact the schools if you are in any doubt about this.

When a church voluntary aided school* is oversubscribed the governors normally give the highest priority for places to children whose parents / carers can demonstrate a commitment to the religious faith of the school, and then to those belonging to and practicing within another denomination.

Please remember that if you show a church voluntary aided school* as a preference and you cannot meet the most important criterion established by the governors, admission to the school may be refused if it is oversubscribed.

All information given is up-to-date at the time of printing

Admission arrangements have been edited in some cases for reasons of space. All essential information regarding admission priorities* has been retained.

Full versions are available from each school or at www.brighton-hove.gov.uk/schooladmissions.

Aldrington CE Primary School

Aldrington Church of England Primary School is a voluntary aided school in the Diocese of Chichester. It is founded upon a lively and evangelical Christian faith in which the educational and spiritual needs of each child are pre-eminent.

A **supplementary information form (SIF)** is provided on the school website (Appendix A). This is used to collect information required in order to evidence that a child qualifies against oversubscription criterion 1-8.

The SIF must be completed and submitted by the closing date for applications and in accordance with the instructions set out in the SIF if the parent wishes qualifying information to be taken into account, should it prove necessary for the oversubscription to be applied in order to prioritise applications.

In some cases, a member of the admission authority, or an appointed agent, may need to contact the parent to discuss the information submitted on the SIF.

If there are more applications received at any one time than there are places available within the preferred year group (oversubscription), the admission authority will assess every application against the oversubscription criteria set out below in order to rank these applications in priority order, before any places are offered. The oversubscription criteria will also be applied in order to rank children's names on a waiting list.

Oversubscription criteria

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22 (1) of the Children Act 1989 applies). In order to be offered a place under this priority the parent will need to supply proof of the child's status. This could be a copy of the order or adoption certificate.
2. Children whose parents are regularly* involved in the work and worship of Bishop Hannington, or its daughter Church, Holy Cross, or its Church Plant, (Goldstone Church), or St Peter's Church, West Blatchington, and who will have a sibling at the school at the time of admission.
3. Children whose parents are regularly* involved in the work and worship of any other Christian church and who will have a sibling at the school at the time of admission.
4. Children who have a sibling in the school at the time of admission but do not satisfy the criteria set out in 2 and 3 regarding work and worship.
5. Children whose parents are regularly* involved in the work and worship of Bishop Hannington Church, or its daughter Church, Holy Cross, or its Church plant (Goldstone Church) or St Peter's Church West Blatchington.
6. Children whose parents are regularly* involved in the work and worship of any other Christian Church.

* 'Regularly involved in the work and worship' means:

- Attendance by at least one parent at a minimum of two services per month at a Christian Church over a period of at least eighteen months immediately preceding the closing date for applications. (If the parent has moved churches in that period, confirmation will be required from all relevant ministers), and
- Involvement of at least one parent in any other aspect of the work and worship of the Church other than as a regular worshipper.

7. Children with known special educational, medical or social needs who would benefit from a place at the school. Documentary evidence from a doctor, social worker, educational psychologist, or other relevant professional, should be submitted with the application.
8. Children whose parents wish them to receive a Christian education and where the parents have either:
 - committed themselves to a foundation course to investigate the claims of Jesus prior to the date of application. (This must be verified by the Minister on section B of the governors' form).
 - Or
 - Are attending a Church but the evidence provided by their minister does not support an application under criteria 2,3,5 or 6 above.
9. Other children.

Notes:

- Refer to section 1.4 of these Admission Arrangements for the definition of 'home address'
- Refer to section 1.5 of these Admission Arrangements for the definition of 'sibling'
- The Supplementary Information Form must be completed and submitted in conjunction with the school place application if the applicant wishes the child to be considered against criterion 1-8 (refer to section 4.5 of these admission arrangements)
- A Christian Church is a Church that is a full member of Churches Together in Britain and Ireland or the Evangelical Alliance or the Fellowship of Independent Evangelical Churches.

In the event of oversubscription (more applications received than places available), the admission application ranking exercise may indicate that the Admission Number / limit is reached part way through a particular criterion. In these circumstances, priority will be given to those children who live closest to the school.

This will be measured digitally by the council, using its specialist software for measuring home to school distance for community schools.

Measurement will be to a minimum of three decimal places accuracy. In the case of a multi-dwelling building, such as a block of flats, the same distance will apply for all occupants.

Where two or more distances are exactly the same and it proves necessary to rank the relevant applications, a priority for admission will be determined by the drawing of lots. This activity will take place at the school and be supervised by a person entirely independent of the admissions authority and the school.

Please read the full notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

Bilingual Primary School

The school has an admission number of 90 at Reception age for September 2018.

Oversubscription criteria

When the school is oversubscribed, priority for admission will be given to those children who meet the criteria set out below, in order:

Priority 1: Children in the care of a local authority (looked after children) and previously looked after children

Priority 2: Children with a medical need requiring admission to this school only (see supplementary information below).

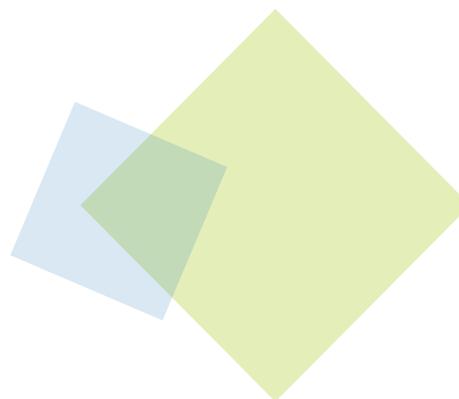

Priority 3: Children of a member of staff who has been employed at the school for two or more years at the time at which the application for admission to the school is made, or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

Priority 4: Children with a sibling at the school. A sibling link is only taken into account if the sibling has already been allocated a place at the school (see Supplementary Information notes).

Other children - Random allocation will apply thereafter as a tie-breaker for children living in the postcodes: BN1, all BN2 codes, BN3 and BN41. Places will only be allocated by ballot to children living outside these postcodes if there are still places remaining when all the children living within them have been awarded a place.

Being a Spanish speaker will not be a criterion for admission.

Please read the full notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions.

Cottesmore St Mary's Catholic Primary School

Cottesmore St Mary's was founded by the Catholic Church to provide education for children of Catholic families. The school is conducted by its governing body as part of the Catholic Church in accordance with the trust deed of the Diocese of Arundel & Brighton, its instrument of government, and seeks at all times to be a witness to Jesus Christ.

As a Catholic school, the governors aim to provide a Catholic education for all pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. The governors ask all parents applying for a place to respect this ethos and its importance to the school community. Although Catholic children have priority of admission, this does not affect the right of an applicant who is not Catholic to apply for a place for their child at the school.

The school welcomes applications from those of other denominations and faiths, or of none. The school was set up primarily to serve the Catholic community in the parishes of St George, Sacred Heart and St Peter, all in Hove. Outline maps of the parishes can be seen in the full version available from the school or on the council's website.

Oversubscription criteria:

1. Catholic looked after children or previously looked after children (see note b & c)
2. Catholic children with a brother or sister (see note f) at the school at the time of admission, resident in the parishes of St George, Sacred Heart or St Peter, Hove (see note h)

whose parent / carer attends Sunday Mass at least once a month (see note k) ***

3. Catholic children with a brother or sister (see note f) at the school at the time of admission, who are not resident in the parishes of St George, Sacred Heart or St Peter, Hove (see note h) whose parent / carer attends Sunday Mass at least once a month (see note k) ***
4. Catholic children without a brother or sister (see note f) at the school at the time of admission, resident in the parishes of St George, Sacred Heart or St Peter, Hove (see note h) whose parent / carer attends Sunday Mass at least once a month (see note k) ***
5. Catholic children without a brother or sister (see note f) at the school at the time of admission, who are not resident in the parishes of St George, Sacred Heart or St Peter, Hove (see note h) whose parent / carer attends Sunday Mass at least once a month (see note k) ***
6. Other Catholic children (see note c)
7. Other looked after children or previously looked after children (see note b)
8. Catechumens, Candidates for Reception into the Church and children who are members of an Orthodox Church (see note d & e)
9. Other children with a brother or sister (see note f) at the school at the time of admission
10. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note l)
11. Children of other faiths whose membership is evidenced by a religious leader
12. Any other children.

*** Attendance at Sunday Mass at least once a month means that frequency of attendance by the parent / carer over at least one year prior to the closing date for applications (see note k) Sunday Mass includes the Saturday evening vigil Mass

Final Tie-breaker:

Random allocation will be used as a tie-break to decide who has the highest priority for admission when two applications cannot otherwise be separated. The random allocation shall be conducted in such a way that all applications have an equal chance and the identities of the applicants are not known to those carrying out the random allocation. The random allocation will be witnessed by an independent observer and minuted.

The school's **supplementary information form (SIF)** is available from the school and the school website and allows the governors to put all applicants in order of priority for admission in line with the published admission policy.

If you are expressing a preference for a place for your child at this school and wish to apply in connection with one of the faith criteria, you need to complete the SIF.

If you do not complete the SIF and return it to the school with all supporting documents by the closing date, your child may not be placed in the appropriate faith criterion. This is likely to affect your child's chance of being offered a place.

For a Reception Year admission in the normal admissions round for the year 2018-19, the completed SIF, together with all supporting documents, should be returned to the school by 15 January 2018. **Please note:** If the school receives an incomplete SIF, this might affect your child's chance of being offered a place.

Please read the full notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

Our Lady of Lourdes Catholic Primary School

Our Lady of Lourdes was founded by the Catholic Church to provide education for children of Catholic families. The school is conducted by its governing body as part of the Catholic Church in accordance with the trust deed of the Diocese of Arundel & Brighton, its instrument of government, and seeks at all times to be a witness to Jesus Christ.

As a Catholic school, the governors aim to provide a Catholic education for all pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. The governors ask all parents applying for a place to respect this ethos and its importance to the school community.

Although Catholic children have priority of admission, this does not affect the right of an applicant who is not Catholic to apply for a place for their child at the school. The school welcomes applications from those of other denominations and faiths, or of none.

The school was set up primarily to serve the Catholic community in the parishes of Rottingdean with Woodingdean and Peacehaven with Newhaven. (parish maps are available in the full version of these arrangements).

Oversubscription criteria

At any time where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Catholic looked after children or previously looked after children (see note b & c)
2. Catholic children with a brother or sister (see note f) at the school at the time of admission, resident in the parishes of Rottingdean with Woodingdean or Peacehaven with Newhaven (see note h)
3. Catholic children with a brother or sister (see note f) at the school at the time of admission, who are not resident in the parishes of Rottingdean with Woodingdean or Peacehaven with Newhaven (see note h)
4. Catholic children without a brother or sister (see note f.) at the school at the time of admission, resident in the parishes of Rottingdean with Woodingdean or Peacehaven with Newhaven (see note h)
5. Catholic children without a brother or sister (see note f) at the school at the time of admission, who are not resident in the parishes of Rottingdean with Woodingdean or Peacehaven with Newhaven (see note h)
6. Other Catholic children (see note c)
7. Other looked after children or previously looked after children (see note b)
8. Catechumens, Candidates for Reception into the Church and children who are members of an Orthodox Church (see note d & e)
9. Other children with a brother or sister (see note f) at the school at the time of admission.
10. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note k)
11. Children of other faiths whose membership is evidenced by a religious leader.

12. Any other children.

*** The priest concerned would be the priest of the church where the parent / carer normally worships or, if they do not practise their faith by attending Mass, the parish priest in the parish in which they are resident.

Final tie-breaker:

Priority will be given to children living closest to the school determined by the shortest distance (see note j)

The school's **supplementary information form (SIF)** is available from the school and the school website and allows the governors to put all applicants in order of priority for admission in line with the published admission policy. If you are expressing a preference for a place for your child at this school and wish to apply in connection with one of the faith criteria, you need to complete the SIF.

If you do not complete the SIF and return it to the school with all supporting documents by the closing date, your child may not be placed in the appropriate faith criterion. This is likely to affect your child's chance of being offered a place. For a Reception Year admission in the normal admissions round for the year 2018-19, the completed SIF, together with all supporting documents, should be returned to the school by 15 January 2018.

Note: If the school receives an incomplete SIF, this might affect your child's chance of being offered a place.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Andrew's CE Primary School

St Andrew's is a Church of England voluntary aided primary school that aims to provide an education based on Christian principles. We ask that all parents/carers applying for a place for their child acknowledge and respect the school's Christian ethos and values. We are proud that we are an inclusive school that welcomes children from a wide range of faiths or no faith, abilities and social backgrounds. The diversity of our school community is a strength and something we celebrate.

In order to maintain the inclusiveness of our school the governing body has allocated 45 places (50%) each year as foundation places for children whose parents / carers regularly worship in an Anglican or other Christian church and 45 places (50%) as Community places to include children whose parents/ carers do not meet the foundation criteria.

In the event there are fewer applicants than the designated number in either category, any unfilled places will become additional places in the other category. If it is not possible to allocate a foundation place to anyone applying for a foundation place, the application will be considered for a community place according to the criteria for community places.

Please note: Parents / carers applying for a place at our school for their child must complete a St Andrew's governors' supplementary information form in addition to the Brighton & Hove preference form. An admission pack is available from the school. Both forms must be received by the closing date.

Before the application of the oversubscription criteria, children with a statement of special educational needs or an education, health and care plan (EHCP) which names the school will be allocated a place.

Oversubscription criteria

1. A 'looked after child' or a child who was previously 'looked after', but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) (see xv)

Foundation places (45)

2. Children who are living in the ecclesiastical parish, whose parents/carers are *regular worshippers at St. Andrew's (Old Church) Hove, and who will have a **sibling in the school at the time of admission.
3. Children who are not living in the ecclesiastical parish, whose parents/carers are *regular worshippers at St. Andrew's (Old Church) Hove, and who will have a **sibling in the school at the time of admission.

Priority will be given under each admission criterion to children with exceptional medical or social circumstances where their needs make it essential for them to attend St Andrew's.

The admissions panel may consult with the council's school admissions team and / or the professionals named in the supporting evidence. Please note that if St Andrew's is not the child's closest school, the supporting evidence must make it clear why the nearest school is not appropriate.

When deciding between applicants who have equal entitlement under the above admission criteria, priority will be given to those children who live closest to the school as measured by the council.

St Bartholomew's CE Primary School

St Bartholomew's is a Church of England voluntary aided primary school that admits children in the school year they become 5. They will leave in the July of the year in which they become 11. We are an inclusive school that welcomes children from all backgrounds and abilities whilst promoting the values and ethos of a Christian community.

We would expect families applying for a place at St Bartholomew's to support the Christian ethos and values of the school.

Oversubscription criteria:

In the event of there being more than 30 applications the following criteria will apply:

- A. Children in the care of the local authority and looked after children or previously looked after children (those who at the time of application were adopted or subject to a child arrangement order or residence order 2 or special guardianship order 3). In order to offer a place under this priority you will need to supply proof of the child's status. This could be a copy of the order or adoption certificate.
- B. Children whose parents are regular* worshippers at St Bartholomew's Church.
- C. Sibling link. This will apply if there is another child living in the same household as your child who in September 2018 will be attending your preferred school. You may be asked to supply proof of this, for example, a copy of your child benefit statement showing both children's names.
- D. Children whose parents are regular* worshippers at other Church of England churches.

E. Children whose parents are regular* worshippers at other Christian churches (a church that is a full member of Churches Together in Britain and Ireland or the Evangelical Alliance).

F. The child has compelling medical or other exceptional reasons* for attending the school.

G. Other children.

Tie-breakers

When deciding between applicants who have equal entitlement under the above criteria, priority will be given to those children who live nearest to the school, by the shortest distance measured by the same method used by the council.

Parents wishing to apply for a place should first complete the Brighton & Hove City Council preference form, which is available on its website, and return it to the council.

They should also complete the school information form (available on the school website or from the school office) and return it to the school.

This will allow the governors to consider whether priority should be given on the grounds specified in the information form. Both of these forms must be returned by the specified deadline.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Bernadette's Catholic Primary School

St Bernadette's was founded by the Catholic Church to provide education for children of Catholic families. The school is conducted by its governing body as part of the Catholic Church in accordance with the trust deed of the Diocese of Arundel & Brighton, its instrument of government, and seeks at all times to be a witness to Jesus Christ.

As a Catholic school, the governors aim to provide a Catholic education for all pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. The governors ask all parents applying for a place to respect this ethos and its importance to the school community.

Although Catholic children have priority of admission, this does not affect the right of an applicant who is not Catholic to apply for a place for their child at the school. The school welcomes applications from those of other denominations and faiths, or of none. The school was set up primarily to serve the Catholic community in the parishes of St Mary's, Preston Park and St Thomas More, Patcham. (parish maps are available with the full version of these arrangements)

Tie-breakers

Random allocation will be used as a tie-break to decide who has the highest priority for admission when two or more applications cannot otherwise be separated.

Random allocation shall be conducted in such a way that all applications have an equal chance and the

identities of the applicants are not known to those carrying out the random allocation. The random allocation will be witnessed by an independent observer and minuted.

The school's **supplementary information form (SIF)** is available from the school and the school website and allows the governors to put all applicants in order of priority for admission in line with the published admission policy.

If you are expressing a preference for a place for your child at this school and wish to apply in connection with one of the faith criteria, you need to complete the SIF.

If you do not complete the SIF and return it to the school with all supporting documents by the closing date, your child may not be placed in the appropriate faith criterion. This is likely to affect your child's chance of being offered a place.

For a Reception Year admission in the normal admissions round for the year 2018-19, the completed SIF, together with all supporting documents, should be returned to the school by 15 January 2018.

Note: If the school receives an incomplete SIF this might affect your child's chance of being offered a place.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Margaret's CE Primary School

St Margaret's is a Church of England voluntary aided school for children from the age of 4+ to 11. If the number of applications for entry to the school exceed 30, the governors have to apply their criteria for admission.

The purpose of the criteria is to ensure that places are allocated on a clear and consistent basis, giving priority to those children with the best claim to a place in the school.

If the school is oversubscribed, after the admission of pupils with a statement of special educational needs or education, health and care plan where the school is named in the statement or plan, priority for admission will be given to those children who meet the criteria set out below,

Oversubscription criteria

1. A 'looked after child' or children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order 71.
A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
2. Children of parents living within the ecclesiastical parishes of Rottingdean (St Margaret's) and Ovingdean (St. Wulfran's) who have been regular* worshippers at either St. Margaret's or St. Wulfran's parish churches for at least 18 months at the time of application and who will have a brother or sister attending the school at the time of admission. Where parents have moved into the ecclesiastical parishes of Rottingdean and Ovingdean within the previous eighteen months, verified regular* worship at another Anglican church will be taken into account.
3. Children of parents living within the ecclesiastical parishes of Rottingdean and Ovingdean who have been regular* worshippers at either St. Margaret's or St Wulfran's parish churches for at least 18 months at the time of application. Where parents have moved into the ecclesiastical parishes of Rottingdean and Ovingdean within the previous 18 months, verified regular* worship at another Anglican church will be taken into account.
4. Children of parents living within the ecclesiastical parishes of Rottingdean and Ovingdean who will have a brother or sister attending the school at the time of admission.
5. Children of parents living within the ecclesiastical parishes of Rottingdean and Ovingdean, who have been regular* worshippers at an Anglican church, other than St. Margaret's or St. Wulfran's for at least 18 months at the time of application.
6. Children of parents living within the ecclesiastical parishes of Rottingdean and Ovingdean, who have been regular* worshippers at a Christian church other than the Church of England for at least 18 months at the time of application. A Christian Church is a Church that is a full member of Churches Together in Britain and Ireland or the Evangelical Alliance.
7. Children of parents living within the ecclesiastical parishes of Rottingdean and Ovingdean.
8. Children of parents who do not live within the ecclesiastical parishes of Rottingdean and Ovingdean who have been regular* worshippers at either St. Margaret's or St. Wulfran's parish churches for at least 18 months at the time of application and who have a brother or sister attending the school at the time of admission.
9. Children of parents who do not live within the ecclesiastical parishes of Rottingdean and Ovingdean who have been regular* worshippers at either St. Margaret's or St. Wulfran's parish churches for at least 18 months at the time of application.
10. Children of parents not living within the ecclesiastical parishes of Rottingdean and Ovingdean, who have been regular* worshippers for at least 18 months at an Anglican church, for whom this is the nearest Church of England school and who will have a brother or sister attending the school at the time of admission.
11. Children of parents not living within the ecclesiastical parishes of Rottingdean and Ovingdean, who have been regular* worshippers for at least 18 months at an Anglican church, for whom this is the nearest Church of England school.
12. Children of parents who do not live within the ecclesiastical parishes of Rottingdean and Ovingdean, who have been regular* worshippers for at least 18 months at a Christian church other than the Church of England for whom this is the nearest church school.
13. Any other children who will have a brother or sister attending the school at the time of admission.
14. Any other children.

In the event of it being necessary to distinguish between children in any criterion, the governors will take into account the 'safe walking route' distance from home to school (as determined by the council) with places being allocated to those children living nearest the school.

Parents applying under categories 2, 3, 5, 6, 8, 9, 10, 11 and 12 must complete a supplementary form (available from the school) giving the name of the priest or minister able to verify that the requirements of a particular criterion have been met.

A map showing the boundaries of the ecclesiastical parishes of Rottingdean (St. Margaret's) and Ovingdean (St. Wulfran's) can be viewed on the school website www.stmargaretscofeprimary.co.uk.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Mark's CE Primary School

We are a Church of England voluntary aided school. As such, the governing body is the admissions authority.

We are an inclusive school that welcomes children from all backgrounds and abilities whilst promoting the values and ethos of a Christian community.

We would expect families applying for a school place at St Mark's to support the Christian ethos and values of the school.

All applications will be subject to our agreed and published admissions criteria and will be treated on merit and in a sensitive manner.

Statements of SEN

Where a child has a statement of special educational needs (SEN), that names the school as a placement, the child will be admitted accordingly.

Oversubscription criteria

When we are over-subscribed for a place in the school, we apply our admissions criteria to decide which pupils will be offered a place.

The criteria are:

1. All Children Looked After (CLA) in the care of a local authority.
2. Children of parents, at least one of whom is a regular worshipper in the Parish Church of St. George with St Anne and St Mark.
3. Children of parents, at least one of whom is a regular worshipper at another Christian Church that belongs

to 'Churches Together in England' or the Evangelical Alliance.

4. Children who have been baptised into the Christian faith and can provide a Baptismal Certificate or equivalent proof.
5. Children whose brothers and sisters are pupils at the school at the time of admission
6. Children of parents, at least one of whom is a regular worshipper in another faith tradition as recognised by SACRE.
7. Children with strong medical or other exceptional reasons for attending St Mark's. Documentary evidence is required from a doctor, social worker or educational psychologist to support the application.
8. Other children whose parents / carers wish them to have the denominational education that an Anglican school provides.
9. All / any other children.

In the event of oversubscription in all of the above categories, priority will be given to those children living nearest the school (measured using the same method as that used by the council). 'Looked after' children are those who are in public care.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Martin's CE Primary School

St Martin's is a Church of England voluntary aided school. We are a one form entry school taking pupils from aged 5 – 11. We also have a nursery which offers state-funded care and learning.

We are funded by the council just as other schools in Brighton & Hove are. Because we are a Church of England school the Diocese of Chichester supports us, and we have a service level agreement with the schools team in the diocese.

They help us in various ways including helping us to care for our buildings. Because we are a voluntary aided school, the board of governors is the admissions authority for the school.

The governing body welcomes children of all parent(s)/carer(s) who believe that their children will benefit from the very best of primary education within a distinctive Christian ethos.

At St Martin's our Christian ethos lies at the heart of the school and we work in partnership with parent(s) and carer(s), to teach the Christian faith.

We ensure the provision of education based upon high standards and the pursuit of excellence. We promote the total personal, social and spiritual development of each child.

As our mission statement says: 'We strive to create a school family in which our children are educated and inspired through loving and understanding of God, each other and the world'. Our motto is 'Learning to Love, Loving to Learn.'

When applying under oversubscription criteria 3.3.2, 3.3.3, or 3.3.5, there is a **supplementary information form (SIF)** which must also be completed. This form can be obtained from the school or from the school website. It is attached to this policy (See Part 7). This form includes a reference from the Priest / Christian minister of the worshipping community which the parent(s) / carer(s) attend.

Parent(s)/carer(s) should complete their part of the SIF. They should then ask their Priest/ Christian minister to complete the reference. It is the responsibility of parent(s) / carer(s) to return the fully completed form to the school by the published deadline.

8. Catechumens, Candidates for Reception into the Church and children who are members of an Orthodox Church (see note d & e)
9. Other children with a brother or sister (see note f) at the school at the time of admission.

10. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note k)
11. Children of other faiths whose membership is evidenced by a religious leader.
12. Any other children.

*** The priest concerned would be the priest of the church where the parent/carer normally worships or, if they do not practise their faith by attending Mass, the parish priest in the parish in which they are resident.

Final tie-breaker

Priority will be given to children living closest to the school determined by the shortest distance (see note j)

The school's **supplementary information form (SIF)** is available from the school and the school website and allows the governors to put all applicants in order of priority for admission in line with the published admission policy.

If you are expressing a preference for a place for your child at this school and wish to apply in connection with one of the faith criteria, you need to complete the SIF.

If you do not complete the SIF and return it to the school with all supporting documents by the closing date, your child may not be placed in the appropriate faith criterion. This is likely to affect your child's chance of being offered a place.

For a Reception Year admission in the normal admissions round for the year 2018-19, the completed SIF, together with all supporting documents, should be returned to the school by 15 January 2018. Please note: If the school receives an incomplete SIF, this might affect your child's chance of being offered a place.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Nicolas CE Primary School

St Nicolas is a successful, happy and thriving school built upon Christian values and providing an education based upon those values. We welcome families from all parts of the local community.

It is not essential that families are practising Christians, but we expect all parents / carers applying for a place for their child/ren at our school to be willing to support the Christian values and ethos of St Nicolas.

St. Nicolas has a published admission number (PAN) of 60 pupils for entry in Reception Year, without reference to ability or aptitude. All applicants will be admitted if 60 or fewer apply.

If more applications are received than places available, governors will allocate places using the oversubscription criteria detailed below.

Oversubscription criteria

1. A 'looked after child' in the care of a local authority or a child who was previously 'looked after', but ceased to be so because he / she became the subject of an Adoption Order, Child Arrangements Order or Special Guardianship Order (see Note a)
2. Children whose parents / carers are communicant members of or who worship at the Anglican churches in Portslade and Mile Oak (see Note b)
3. Children whose parents / carers are communicant members of or who worship at other Anglican churches (see Note b)
4. Children whose parents / carers are full members of or

worship at other Christian churches (see Note b)

5. Children who have a sibling who is on the school roll at the time of admission (see Note d)
6. Children of staff working at the school. (see Note e)
7. Children who are living within the boundaries of the ecclesiastical parish of Portslade St. Nicolas and St. Andrew and Mile Oak The Good Shepherd. (see Notes c and f)
8. Other children.

If you are applying under categories 1-6 of our oversubscription criteria, please also complete a St Nicolas supplementary information form, available from the school office. Please return the form to the school by the closing date, together with any requested documentation.

This information will be needed if governors are to consider any application under categories 1-6.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions. The school's supplementary information form is also available here.

St Paul's CE Primary School

At St Paul's all aspects of teaching and learning reflect Christian principles. The governors hope that parents, in choosing this school, will wish their children to take a full part in all aspects of school life.

The school has an agreed admission number of 30 pupils for entry into the reception class. All applicants will be admitted if 30 or fewer apply.

Oversubscription criteria

If the school is oversubscribed, after the admission of pupils with a statement of special educational needs where the school is named in the statement, priority for admission will be given to those children who meet the criteria listed below in order of priority.

1. Children in the care of a local authority or those previously looked after but immediately after being looked after became subject to adoption, residence, or special guardianship order*.

*For clarification see Department for Education School Admissions Code

2. Children whose parents regularly attend** services at St Paul's Church, West Street, Brighton, St Nicholas Church, Dyke Road Brighton or St Michael and All Angels Church, Victoria Road Brighton and have children who attend St Paul's CE School at the time of admission.

3. Children whose parents regularly attend** services at other Anglican churches, and have children who attend St Paul's CE School at the time of admission.

4. Children who have siblings at the school at the time of admission.

5. Children whose parents regularly attend** services at St Paul's Church, West Street, Brighton, St Nicholas Church, Dyke Road Brighton or St Michael and All Angels Church, Victoria Road Brighton.

6. Children whose parents regularly attend** services at other Anglican churches

7. Other children.

The governors' admission policy operates within the requirements of the School Admissions Code which now includes greater flexibility around starting dates and arrangements.

Further details can be found in the council's admissions guidance and on the Department for Education website.

Please note that an application **must** be made for any child transferring from our nursery school to our primary school. There is, without exception, no special priority given to nursery class children for a place in the reception class.

Additional notes

Parents and carers must complete a governors' enquiry form whether placing our school 1st, 2nd or 3rd preference. If no form is submitted the application will be treated as if there are no faith or sibling links and placed in category 7.

Please return the governors' enquiry form to our school together with the completed preference form. If applying on-line under any category the governors' enquiry form still needs to be submitted to the school.

Parents applying under criterion 1 must provide a copy of the relevant order as proof of meeting the criterion.

**** Parents who apply giving criteria 2, 3, 5 and 6 will also be required to submit with their application a completed form from their parish priest clearly stating that at least one parent or carer is a 'regular worshipper who has attended services at least twice a month for at least one full year prior to the date of the submission of the application.'**
If the parent / carer has changed church/place of worship in that period, a form will be required from all churches/places of worship.

In the event of there being more applications than places available in any of the above criteria, priority will be given to children who live nearest to the school as measured by the specialist school admissions computer software in use by Brighton & Hove City Council.

Applications returned after the closing date will be considered after all the applications that were returned on time have been dealt with. A sibling is a full, half or step brother or sister who is already attending the school (not nursery) living permanently in the same household, including an adoptive or foster brother or sister.

Reference to parents includes legal guardians and applies to either or both parents or a sole parent.

Where only one parent/guardian satisfies a criterion, the application will be treated equally with one where the requirement is met by two parents. Governors may require parents and carers to produce evidence of residency.

Please read the notes and definitions in the full policy available from the school or at www.brighton-hove.gov.uk/schooladmissions.

The school's supplementary information form is also available here.

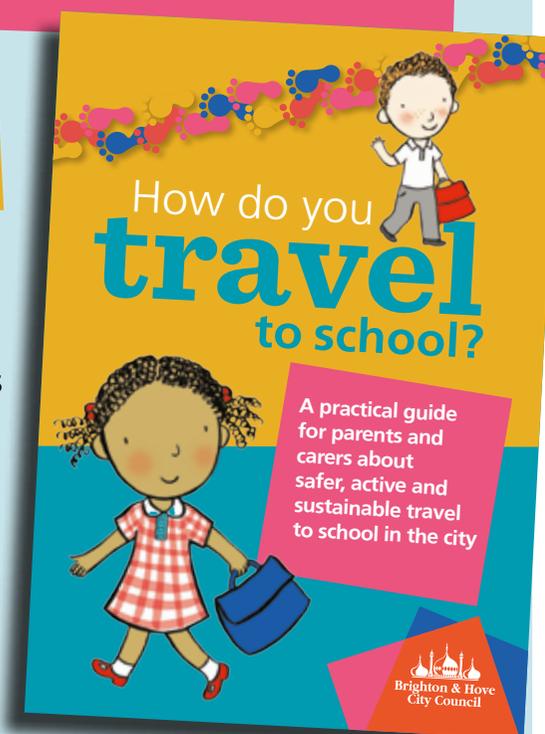

How do you travel to school?

The council's school travel team has produced a booklet called **'How do you travel to school?'**

In this booklet you can find information about travel choices for the journey to your child's school.

You can also find out what travel to school initiatives are offered to schools – such as child pedestrian training, cycle & scooter storage as well as lots of ideas that will help families have a safe, sustainable and active journey to school.

To download a copy of 'How do you travel to school?' go to www.brighton-hove.gov.uk/schooltravel
For a paper copy, please call the council's school travel team on **01273 291744 / 290561**.

What to do when you receive the decision

6

How do I accept my child's school place?

You will receive an email (or a letter) from the school admissions team informing you which school your child has been allocated (see page 7 for a timetable).

If you want to accept the place you have been offered, you should complete and return the pupil registration form (a link is provided in the decision email) to the school at which your child has been offered a place.

The school will give you clear information about arrangements for starting school.

If your child does not take up his/her school place on the agreed day and you have not informed the school of any special reason for the delay, the school admissions team may give the place to another child.

What happens if I am not happy with the school my child has been offered?

You may ask the school admissions team about places at other schools. Please email **schooladmissions@brighton-hove.gov.uk** or telephone **01273 293653**.

Your child's name will automatically be placed on a waiting list for your first preference school.

You may appeal.

School waiting lists

The council's school admissions team holds waiting lists for community schools* only. The governors of academies, church voluntary aided and free schools* operate their own waiting lists. You should contact individual academies, church voluntary aided or free schools* to find out about their procedures.

How do I get my child's name on a waiting list?

If you have applied for your child to start in Reception or Year 3 (of a junior school*) and you do not get your first preference school, your child's name will be placed on the waiting list for that school. Your child's name will remain on the waiting list until the end of the autumn term in December 2018 or until a place becomes available if this happens sooner. If you wish your child's name to be on the waiting list for another of your preferred schools, please tell us this in writing or by email.

Staying on the list

Please note: a waiting list place can be affected by other children's names being entered at a later date. For example, if a child's name were added to the list, that child could be placed above existing entries if he or she had an exceptional reason for admission, a sibling link* or an address closer to the school than other applicants. Children can move down the list as well as up. Late applicants will also be added to waiting lists as soon as possible after they arrive. Late changes of preference (repeat applications) will be added to the waiting list for the new preference as soon as possible after 30 June 2018.

If you want to remain on a waiting list after December 2018 you must inform the admissions team at the end of the autumn term. The waiting list is then renewable on a termly basis.

You will need to contact the school admissions team at the end of each term to confirm you wish to renew or your child's name will be removed.

How does the council manage waiting lists?

Children will be placed on a waiting list for community schools* according to the admission priorities* listed in section 4. Within each category children will be ranked according to home to school distance as described on page 21.

What happens if a place becomes available at a school with a waiting list?

The school admissions team will offer the place to the child at the top of the waiting list. Parents will have seven days to reply before the place is offered to another child.

How to appeal for a place at your preferred school

How can I appeal?

If you are unhappy with the school place your child has been offered, you can appeal to the independent appeal panel. You should act quickly to register an appeal, normally within 20 school days of receiving an email or letter informing you of the decision about your allocation.

If your appeal is unsuccessful the authority will not normally consider a further appeal for the same school for entry in the same academic year.

You can only appeal for a place at a school for which you have expressed a preference. If you wish to appeal it is a good idea to accept the place at the school you have been offered, as this will have no effect on the outcome of your appeal and will prevent you from missing out on a school altogether.

How does the appeal process work?

The appeal panel will consider your appeal. This is an independent body that is not bound by the council's admission priorities* or the published admission numbers*. You have the right to appeal for any of your preferred schools but you may only appeal once for each school. The appeal panel's decision is binding on the council and on parents / carers.

There is a legal limit on the size of infant classes set at 30 children. Where classes are at maximum capacity an appeal panel can only agree the appeal if it can

be shown that the authority has made a mistake in applying its admission arrangements or has acted unreasonably.

You can appeal online at www.brighton-hove.gov.uk If you need to find out more about appeal arrangements please contact:

The Clerk to the Appeal Panel
Democratic Services
Brighton & Hove City Council
Hove Town Hall, Norton Road
Hove, BN3 3BQ
01273 291228
schoolappeals@brighton-hove.gov.uk

Please note: the governors of academies, church voluntary aided schools and free schools* are responsible for organising their own appeals. However, this is done via the contact details above.

Can I appeal if my child has a statement or EHCP?

If your child has a statement of special educational needs or education, health and care plan (EHCP) and you want to appeal against the school named in the plan, or against the fact that no school has been named, an appeal should be made to the special educational needs tribunal, not an appeal panel. Telephone 01273 293552 for further information.

What happens if I change address during the admissions process?

- If you change address during the admissions process, you will need to supply proof of your new address by 9 March 2018 if you wish us to base your school allocation on your new home address. Please see page 22 for what is acceptable as proof of address.
- **If you change address during the admissions process at 4+ and 7+, before the closing date for applications, you must notify the school admissions team.** If you do not do this and we offer your child a place at your preferred school based on an address where you no longer live, this place will be taken away again.
- **You should also notify the school admissions team of changes of address that happen after the closing date.** If you do not you may not receive any information from your child's new school.
- **You must provide proof of all changes of address.** Until we see proof of a change of address we will allocate a school place based on your existing address.
- If your application is received after the deadline and we do not receive proof of a house move (or other independent supporting information explaining why the form is late) we **will** treat this application as late. It is up to you to provide us with reasons to accept it as late with good reason.
- If you are due to move house within Brighton & Hove you must still apply by the deadline and then provide your revised information and proof by 9 March 2018.

Please note: these arrangements refer to community schools.* Church voluntary aided* schools, free schools and academies have their own admission arrangements controlled by the school governors. Contact the relevant headteacher for further details.

What happens if I am temporarily absent from the city?

If a family has a residence in Brighton & Hove and temporarily lives elsewhere (for example, a temporary job out-of-area or abroad), the school admissions team may seek evidence of residence at both addresses and evidence that you will be returning to the area.

Please contact the school admissions team at schooladmissions@brighton-hove.gov.uk or telephone **01273 293653** if you need any advice about filling in your application in these circumstances.

What happens if I move to the area at a time when my child would not normally change schools?

If you have moved house and it is no longer practical to make the journey to your child's current school, you will need to apply for a place at a different school. If you wish to apply for a school in Brighton & Hove you will need to apply via the school admissions team either online or using a school in-year preference form*. We will be able to arrange immediate transfer to the school you prefer if there is a place available when we receive your in year application.

You can apply for a school place in advance of your move if you wish, however, you will not receive a decision more than half a term before your child is due to start at the new school.

- No school places are reserved for people who move into the area but we will be pleased to advise you about which schools have places available at the time you require a school.
- If you have moved house or have been living at your current address for less than six months, or your child is currently at private school, please supply proof of address with your application. If we do not receive this with your application, we will write and ask you for it, but this may mean that you miss out on a place at your preferred school if other children with confirmed addresses have also applied for places there. Please turn to page 22 for what is acceptable as proof of address.

In-year fair access protocol

As required by law, Brighton & Hove has a fair access protocol with schools. This ensures that vulnerable children who need a school place outside the main admission round are offered one as soon as possible. This can sometimes result in schools going above their published admission number* for an established year group.

Moving school if you have not moved house

If you wish to apply for a change of school, you can do so online or using an in-year preference form*.

How will my application for a transfer be dealt with?

- Available places at community schools* will be offered in accordance with the council's admission priorities*, see Section 4. Own-admission-authority schools* will use their own admission priorities* which can be found in section 5.
- If we cannot meet any of your preferences we will suggest that your child remain at his or her

current school. If this is not feasible because you have moved house, we will offer a place at the nearest school to your new home which has a vacancy in the appropriate year group. You may wish to discuss alternative places with the school admissions team.

- If we cannot offer you a place at your first preference school when you apply, your child's name will be added to the waiting list for that school. Waiting list offers made during term time will be for your child to start after the next half term. Waiting list offers made after the end of term / half term will be for immediate start if the admissions team were aware of an available space at the school before the end of term / half term.
- If a place has not become available for your child by the end of term, his or her name will be removed from the waiting list. If you wish your child to remain on the waiting list, you will need to contact us to arrange this. The waiting list is then renewable on a termly basis. You will need to contact us at the end of each term to confirm you wish to renew or your child's name will be removed.
- You have the right to appeal to the independent appeal panel if you do not get the place you want. You may appeal after you have received the email or letter notifying you of the school

allocation (see page 52 for details about the appeals process).

- If you do not contact the school to accept a place offered by the date specified in the allocation email or letter the place will be given to another applicant.
- School transfers normally take two to three weeks to arrange and places are allocated for the next available half term. To ensure this is possible (providing a place is available), please make sure the school admissions team receives your application by the last Friday of the school holidays. If your house move does not tie in with this timescale your child will be able to start school in the middle of the term.
- September allocations will be made from the summer half term onwards so it is a good idea to return your application for this type of transfer before then.
- For applications received before the third Friday in June, we aim to process as many as possible before the end of the summer term. We cannot however guarantee to give decisions on all the applications before the end of the summer term due to the unpredictability of the volume of applications that may need to be processed around this time.

Where this is the case, applicants may be notified of the decisions during the summer holiday and, where possible, parents may be able to contact or visit the allocated school before the first day of school in September.

Applications received after the third Friday in June will be processed as soon as possible but you may not get a decision until after the schools return in September.

- If in-year applications are received during term time, the school admissions team will allocate a place at a school for the next available half term unless you have moved house and can no longer travel to your child's current school.

Please note: these arrangements refer to community schools*. Church voluntary aided schools, academies and free Schools* have their own admission arrangements that are controlled by the school governors. You should contact the schools for further details.

School transport

Can the council provide transport from home to school?

Free home to school transport

- The council has a duty to provide free transport between home and school for children of compulsory school age but under the age of eight who live over two miles from the appropriate school (this is termed the statutory walking distance). For children over the age of eight free transport is provided where they live over three miles from the appropriate school.
- The appropriate school is the nearest school to your home that is suitable to your child's age and educational needs which has a place available – distances are measured by the shortest safe walking route. This will be measured by the same computer system that is used as a tie-break in the school admission priorities* (see Section 4). Public transport is the expected mode of travel.
- In addition, children aged eight to eleven who receive free school meals, or whose parents are in receipt of the maximum rate of working tax credit (WTC), will be entitled to free transport if they live more than two miles from the appropriate school.

- When a claimant is first awarded tax credits, or following a change in their household circumstances, HM Revenue and Customs issue a 'tax credit awards notice' detailing the breakdown and amount of the award. Part 2 of the award notice gives details of "How we work out your tax credits" including details of the full WTC elements.
- This is the maximum amount a customer can receive in WTC in any year. It then lists "any reduction due to your income" and shows the net amount payable. It is therefore readily apparent from the award notice whether a person is receiving maximum WTC or a reduced sum due to income. **Only those with the maximum WTC will be entitled to the greater entitlement to free school transport for pupils aged eight to eleven.**
- If you are claiming entitlement to school transport on the grounds of low income, you must inform the council's home to school transport team that you are doing so. The telephone number is 01273 293501, or you can write via the address given for the school admissions team at the front of this booklet. You will need to say whether your child is entitled to free school meals (which we can

check against our records) or that you receive the maximum WTC. In the case of the WTC you will be asked to provide your award notice as proof of receipt. You should contact the home to school transport team as soon as possible after you know which school your child has been allocated.

- Most children living in Brighton & Hove do not qualify for free transport as they will live within the statutory walking distance.
- Where children attend, through parental preference, a school other than the appropriate school, parents / carers will be responsible for any transport costs and arrangements.
- Children attending schools outside Brighton & Hove will only qualify for help with transport if that school is regarded as the appropriate school.
- Help will not be given with transport to independent schools.

Please note that since September 2013 the council no longer provides discretionary transport assistance to church voluntary aided schools. Free transport will be provided for any children who are eligible under the criteria that apply to all children.

Special needs and special reasons for transport

- If your child is not entitled to free transport because of distance, help may still be given if he or she is not fit to walk to school, attends a special school or in the case of primary age pupils where parents / carers are medically unfit to take children to school.
- We will require a letter from your GP confirming this or from the consultant working with your child
- Other medical proof will be sought where parents/ carers are unable to take children to school.
- Pupils attending special schools will have their transport needs individually assessed in consultation with parents / carers.

Transport to the appropriate school

- If a child is entitled to free transport the council will usually meet the full cost of travel on public services, or provide a seat on a hired vehicle and will issue season tickets or special travel permits as appropriate.
- In exceptional circumstances the council may agree to pay a mileage rate to parents / carers who wish to make their own arrangements.

This will normally be paid only where there is no public transport to the appropriate school or the appropriate school is outside Brighton & Hove and special agreement has been given in advance.

Behaviour on transport

Children travelling to school both on public transport and in hired vehicles will be expected to behave reasonably and treat drivers, other travelers and members of the public with courtesy and consideration. Any breach of acceptable behaviour will be dealt with through the school's disciplinary procedures, and if serious, could result in the council reviewing a child's transport arrangements.

Complaints about school transport

Any complaints from parents / carers about home to school transport will be investigated immediately. Where the complaint is upheld, steps will be taken to rectify the situation by whatever means necessary. If you have a complaint please telephone 01273 293501.

Every school day matters

Regular attendance will help your child get the most from their education.

Avoidable absences, such as term-time holidays, disrupt your child's learning. You also have a legal duty to secure your child's regular and punctual attendance.
