Brighton & Hove (Hanover Area) (One-way) Order 201* (TRO-14c-2017)

STATEMENT OF REASONS

The Council's reasons for proposing the above named Orders are to improve parking management in the Hanover and Elm Grove area for the benefit of residents, visitors and local businesses and to encourage a greater degree of turn over of parking.

This new residents parking scheme (Controlled Parking Zone V) will operate as an exclusive permit holder scheme with some shared permit and pay & display areas. The scheme will include improvements to maintain the free flow of traffic and assist emergency vehicles. Specific bay types will be provided for the disabled and solo motor cycles for the benefit of residents and visitors to the area. The scheme also aims to encourage the use of public transport in accordance with the Council's transport and parking policies.

Once introduced the new parking scheme will improve the amenities in the area for residents, visitors and businesses.

Aims of specific restrictions within the area of the scheme are detailed below:

No Waiting At Any Time (double yellow lines):

To provide protection where sight lines and manoeuvring space for general traffic and commercial vehicles need to be protected, to provide protection where accessing or exiting parking spaces may be compromised due to a narrow carriageway width and to provide protection for accesses or driveways.

To provide a kerbside space free from parked vehicles maintaining the area exclusively for solo motor cycles.

Loading bay Monday to Sunday 9am to 8pm 1 hour, no return within 30 minutes

To provide a kerbside space for vehicles to load and unload for a limited time for nearby facilities

To provide a kerbside space free from parked vehicles maintaining the area exclusively for pedal cycles and thereby encouraging sustainable transport.

Streets eligible for a permit:

List of streets, the residents of which will be eligible to apply for a permit. Businesses with premises in these streets may be eligible to apply for a business permit.

The amendments to the Brighton & Hove (Waiting & Loading/Unloading Restrictions and Parking Places) Consolidation Order 2013 will remove any roads or lengths of road and the restrictions therein from that order which now fall within the limits of Controlled Parking Zone V.

It is proposed to install one-ways in a number of roads so to allow parking on both sides of the roads.
