

Title:	Food Poverty session feedback and support for way forward
Author(s):	Vic Borrill, Director, Brighton & Hove Food Partnership
Purpose/Key Messages:	The Food Partnership and Brighton & Hove Connected recently ran a round table event looking specifically at food poverty.
Significance to BHC and Delivering SCS outcomes:	Good nutrition and food poverty are high impact social issues. Food represents one section of the Sustainable Community Strategy (Health Chapter) and making progress in this area is key to improving health and reducing inequality across the city
What is BHC being asked to do?	Brighton & Hove Connected are asked to support the development and implementation of the food strategy and food poverty action plan.
Next steps and report back mechanism:	BHC will receive updates and further reports on progress and initiatives
