This form should be completed when applying for a place at Aldrington CE Primary School.
ALL applicants should complete Part 1.

For all applications under oversubscription criteria 2, 3, 5, 6 & 8 please ensure that this form is then passed to your Church Minister and request that they complete Part 2 (Minister’s Declaration section) and request that they return this form direct to the school office. If you have changed churches within the past 18 months, please ensure that you supply the school with a completed minister’s declaration for each church you have attended.
