Information about Brighton & Hove
Local Access Forum

Introduction

The Countryside and Rights of Way Act 2000 places a duty on Highway Authorities and National Park Authorities for any area to establish a Local Access Forum for that area. The Act defines these authorities as appointing authorities. The forum will be an advisory body with no executive powers. However the appointing authority and the Countryside Agency must have regard to the advice of the forum.

The main purpose of the Forum will be to give advice on the improvement of public access in the area. Some of the issues that may be addressed include

i) Management of Access Land
ii) Rights of Way Improvement Plans
iii) Recreation, transport and access strategies
iv) Appointment of wardens on access land
v) Local restrictions
vi) Proposals for bylaws on access land

The forum will be able to set its own agenda and give advice on any issues concerning public access that it feels falls within its remit.

The forum will, in carrying out its function, have regard to
i) the needs of land management
ii) conserving the natural beauty
iii) protection of flora and fauna, and geographical and physiographical features
iv) guidance given by the Secretary of State

South Downs National Park

The National Park Authority has a statutory duty to establish a local access forum. Concurrently there are statutory fora established by Brighton & Hove City Council, East & West Sussex and Hampshire County Councils.
The intention is for there to be close links between these fora with observers from each attending the South Downs Forum. There will also be one member from each of them who will also be a member of the South Downs Forum.

Membership

The membership must have a balance of numbers between members who are landowners and members who are countryside users. Elected members of the Council may be members of the forum (maximum 3). The following balance is desired:

| Landowner/occupier | User representatives | Others (inc. elected members) |

A chairman and vice-chairman is elected at the AGM meeting of the forum.

Members will have an active interest in countryside issues. They may have a background in land management, recreation, conservation or rural business. They may possibly have a range of interests in the use of the countryside or bring a fresh approach from groups not normally associated with or excluded from countryside access.

Members will be expected to be able to work towards consensus and be part of a team. They will have the ability to liaise with others and discuss and disseminate information.

Members will not be expected to simply be representatives of their particular interest group but to act in an individual capacity aiming towards forming advice which will benefit the people of Brighton & Hove.

Timetable for Meetings

The forum has a duty to meet at least twice a year. Brighton & Hove LAF meets quarterly, with working group meetings tabled as necessary.

Secretariat

Secretarial and administrative work will be carried out by the Rights of Way Officer with help from colleagues in the countryside service.

3.3 Organise and advertise the Forum meetings.

3.4 Ensure that the Forum operates openly.

3.7 Reimburse the cost of places on organised training courses considered appropriate and necessary by the Chair and Vice–chair.

3.8 Publish an annual report on the Forum’s activities.
4 **Membership of the Forum**

4.1 The Forum will consist of no fewer than 8 and no more than 22 members.

4.2 Membership will be balanced to avoid dominance by any single interest group and encourage cross-sectional interests that will include a broad range of experience and interests in recreational use of the countryside, land management and other relevant interests (e.g. tourism, local transport, enterprise and economy, health, disabled people).

4.3 Members appointed will be those that appear to the appointing authority to be representative of the interests of a) users of local public rights of way and the new access land; b) owners and occupiers of countryside mapped as access land or land crossed by rights of way; or c) any other interest especially relevant to Brighton & Hove’s countryside.

4.4 Forum members will be appointed by a selection panel who will assess if applicants have sufficient experience of countryside access issues within Brighton & Hove to be able to make an informed and constructive contribution to improving access provision. This assessment will be based on the application form and selection criteria. The selection process will aim to ensure a reasonable balance between the number of members representing the interests in paragraph 5.3(a) above, and those representing the interests in 5.3(b). The regulations contain no provision for the appointment of ‘independent’ members.

4.5 Members will act in the best interests of the people of Brighton & Hove and not through individual interest agendas. Members of the Forum, once appointed, will be acting in an individual capacity rather than as a representative of a particular organisation.

4.6 Members who have personal interest, whether direct or indirect, in any matter to be discussed by the Forum shall disclose the nature of the interest to the meeting. The regulations do not prohibit that member from participating in the discussion but it is necessary that
the member’s interest is made known to other members of the Forum and will normally be recorded in the minutes of the meeting.

4.7 Members will be expected to confirm their support to the positive purpose of the Forum, commit to working within the Terms of Reference and through constructive working with other members.

4.8 Members must be willing to commit the necessary time to attend meetings, training etc. and be willing to actively contribute to produce outputs.

4.9 Members will not be able to send deputies to the meetings of the forum.

4.10 Members must be prepared to disseminate information, recommendations and advice to the Forum from the members of their own group, organisation or area of interest.

4.11 Members must be prepared, within reason, to work up ideas or actions outside of the confines of the Forum, reporting back as necessary.

4.12 Members will respond quickly and efficiently to reasonable requests for information from the Secretariat.

4.13 The Forum’s membership and operation will be reviewed by the City Council periodically to ensure that the Forum remains relevant to the needs of the area.

4.14 The Forum will have a Chair and a Vice–chair appointed by nomination and election from amongst members at the AGM meetings of the Forum. The Chair and the Vice–chair will each be elected for a period of one year. The Chair and Vice–chair should not be from the same interest group. When the term of office has expired or either post has become vacant for any reason, both posts will put forward for re–election. Individual members may only be elected to either post for a maximum of three consecutive years.

4.15 Members may have their appointments terminated because of prolonged unauthorised absences from meetings or misconduct.
Removal of members from the Forum must be agreed in writing by the Chair, Vice-chair and the City Council.

4.16 Members will be expected to give at least one month’s notice in writing to the appointing authority should he/she wish to resign from the Forum.

6.5 Agendas, papers and minutes of the meeting will be available to the public on the City Council’s website and office as specified in the regulations.

6.6 The Meetings of the Forum and any sub–committees established will be open public meetings. However the Chair retains the power of exclusion to suppress or prevent disorderly conduct or other misbehaviour at the meeting.

6.7 Members of the public will not be able to speak at the meetings, except where they have given two working days notice to the Secretariat. This will normally be limited to 5 minutes and relate to an item on the published agenda. The Chair may reduce this time limit because of the length of the agenda or the number of people wanting to speak. Speakers must keep to the subject, avoid using offensive or abusive language, and keep to time.

6.8 An open Q&A session will be held at the end of each meeting, normally for fifteen minutes, where members of the public may ask direct questions on any subject related to the work of the Forum. The Chair may reduce or increase this time limit with regard to the number of people wanting to speak.

6.9 The Chair and Vice–chair will invite observers to the meeting when appropriate.
6.10 Observers will be able to contribute to the proceedings at the discretion of the Chair, but will not be able to vote.
