Cycles on trains

Fully folding cycles (with wheels under 20" in diameter) can be carried on to all trains without restriction, although a cycle cover may be required.

Full size cycles may be excluded from trains at peak times. Reservations may be necessary at other times.

Please check before you board at http://www.nationalrail.co.uk/stations_ destinations/cyclists.aspx

Bikeability

Brighton & Hove City Council runs Bikeability training courses for children in years five and six and aged 9 to 14 in the school holidays. Courses are free. Contact (01273) 293847 or www.brighton-hove.gov.uk/cycle-training

Keep your bike safe

Use cycle parking spaces where provided. Lock both wheels and the frame to a bike stand or strong immovable object.

Lock 'tight' so your bike is hard to manoeuvre when parked.

Secure your lock so it does not touch the ground.

Cycle security

The police advise bike tagging which helps to deter theft and allows for your bike to be identified.

It is also important to report stolen cycles or cycle vandalism. Sussex Police have a reporting form on their website. Visit www.sussex.police.uk/helpcentre/report-something-online/

Correct hand signals when cycling

The seafront cycle route has giveway lines for pedestrians wishing to cross. Please cycle with courtesy and respect to all users.

The seafront cycle route has giveway lines for pedestrians wishing to cross. Please cycle with courtesy and respect to all users.

Right turn

On the road - position yourself where you can be seen

Junction safety

 Advanced Stop Lines (ASLs) Cyclists should use ASLs where provided. They are designed to improve visibility and safety at junctions.

 Watch out for vehicles turning left

 When turning right, look, signal and wait for a safe gap to cross

Be aware of hazards

 Avoid cycling too close to the pavement or parked cars

Be aware that vehicles have blind spots

• Bus, van and lorry drivers cannot see all around their **vehicles** – The grey sections are the blind spots
