

Governor vacancy

The governing body is responsible for, amongst other duties, promoting high standards of educational achievement. With this in mind, we want to take this opportunity to draw your attention to a vacancy recently arisen, which is to serve in a voluntary capacity as a co-opted governor member of our board.

The role of the co-opted governor offers an opportunity to make a real contribution to the strategic leadership of the school. Although this can be a demanding and delicate role, there is ample support and training available, in the first instance from the Governor Support Team at Brighton & Hove City Council. Co-opted governors will find working alongside the other members of the board, including the clerk, both interesting and rewarding. Your efforts will ensure that the work of the governing body fulfils its duties to all pupils at the school.

If you are interested in applying, please complete a co-opted governor application form from the council website: <https://www.brighton-hove.gov.uk/governors> and return it to the Clerk to Governors clerktogovernors@blatchingtonmill.org.uk.

CVs alone will not be considered.

Blatchington Mill School is committed to safeguarding our students; we expect all staff and volunteers to support this commitment. Criminal record checks will be carried out and a full, enhanced DBS clearance is required for all positions.

Applications are encouraged from black and ethnic minority candidates, as these groups are under-represented on the governing body. (Race Relations Act sections 35-38 apply).
