

BOOKSTART

Do you realise you can get free books to keep forever at a library near you. Every family in Brighton & Hove are entitled to their free Bookstart Baby Pack, suitable for new born babies - 12 months. If you haven't received a pack from your health visitor or children's centre pop into your local library to collect yours.

In the pack are two lovely board books for you and your baby to share, a rhyme sheet and guidance book for you. Your little one is never too young to start sharing stories with - give them the best start in life, pick up your pack while visiting the library and start reading together. Join the library at the same time and you can borrow books to share too.

Bookstart Baby packs are available in dual language and we also have packs for babies who are partially sighted or blind and children who have a hearing impairment or are deaf. You can request one of these packs to be sent to your local library.

Is your child 3? Have they received their Bookstart Treasure pack? Most children receive their Treasure pack from nursery or their early years setting during the term they are 3 in. This is a free pack for all 3 year olds. If your child doesn't attend nursery or a setting please contact Bookstart@brighton-hove.gov.uk to request your pack or if you require any further information.

Visit the bookstart website for great free resources and information too. www.bookstart.org.uk
