Dear Sir/Madam [state name of site manager if known]

Premises: [business premises name and address]

I wish to make a complaint about noise from construction work outside the “guidance hours” being undertaken at the above site.

Specifically, [state details of the problem and times and dates you are being disturbed].

Having looked at the Council’s website at www.brighton-hove.gov.uk, I see that noise from construction in residential areas should be contained with the “guidance” hours. You can see from my complaint that I/we am/are being disturbed by noise outside these hours. I would be grateful if you could ensure that noisy works are contained within the approved hours.

If after two weeks from the date of this letter there has been no improvement, I will have no option but to involve the Council’s Environmental Protection team.

If you would like to contact me to discuss this matter, my number is [delete if not appropriate].

I/we look forward to your co-operation in this matter.

Yours sincerely
