

**BRIGHTON & HOVE CITY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984**

**Brighton & Hove Various Controlled Parking Zones Consolidation Order 2018
Amendment Order No.* 201* (ref: TRO-2-2019)**

STATEMENT OF REASONS

The introduction of a Car Club Space on St Aubyns South will extend the provision of Car Club availability in this area of the city; at present, the closest available Car Club Car is located to the north of Church Road. The bay would be located to encourage use by residents of both the existing residential properties to the north of Kingsway, and by new residents introduced to the area through the redevelopment of the former Texaco Filling Station and Alibi House (directly to the east of the proposed bay location).

The introduction of a Car Club vehicle at this location is to be funded by Rocco Homes as part of Travel Planning measures, which aim to reduce private car ownership and encourage sustainable modes of travel, associated with the redevelopment of the former Texaco Filling Station and Alibi Public House. The introduction of the space and vehicle would coincide with the first occupation of the development, expected to be in September 2019.
