

# **BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984**

NOTICE is hereby given that Brighton & Hove City Council ("the Council") proposes to make the Orders named below under the relevant sections of the Road Traffic Regulation Act 1984, as amended, which if they come into force will introduce an additional road to the existing Controlled Parking Zone O. The effects of the proposed Order would be as follows:-

## **Brighton & Hove Various Controlled Parking Zones Consolidation Order 2018 Amendment Order No.\* 201\* (TRO-34a-2019)**

The Order will introduce kerbside restrictions where permit holders and visitors may park within Controlled Parking Zone O. Permits will be issued to residents, the cost of which is currently £130 per year (Please note there is a 25% increase for high emission vehicles and a 50% reduction for low emission vehicles). Disabled residents who have a Blue Badge and wish to park in resident parking places will be required to purchase a resident permit for a small administrative charge only (currently £15). A resident for the purposes of this scheme is a person aged 17 years or over whose usual residence is at premises, the postal address of which is in any of the qualifying streets specified below:-

### **Streets eligible for a Resident's Permit: Kestrel Close.**

The Order also introduces to the scheme area visitor, business, carer and doctor permits all of which will be subject to restrictions. Briefly, in the case of visitor permits, applications will only be accepted from residents within the area of the scheme, there will be a limit of 50 permits issued to a resident in any 12 month period and each permit will cost £3.50 per day. Business permits will be issued to businesses located within the area of the scheme if they can prove a genuine business need for a vehicle on street. A maximum of 2 permits may be applied for by a business and they will be subject to criteria determined by the Council with each permit currently costing £350 per year (Please note there is a 25% increase for high emission vehicles and a 50% reduction for low emission vehicles). A carer permit can be applied for if the carer, who does not have to be a resident, has to visit a resident (or residents) within the area of the scheme and that resident is in need of a carer by virtue of age and or physical/mental infirmity or is a woman requiring ante or post-natal care. The carer scheme is for non-professional carers. Doctor permits will be issued to any fully registered person operating from a surgery located within the area of the scheme where a doctor's parking bay has been provided, at a cost of £100 per year for each bay.

Please note generally that in respect of the issue of any of the types of permit referred to above, the Council will exercise its discretion to ensure as far as possible that any priority groups are issued with permits first but the Council cannot guarantee that everyone will be issued with a permit or that a parking space will be available. The costs of the permits referred to in this Notice would take effect from the date the Order came into force.
