Please help us keep the road outside our school safe for all

Do not stop on or near the yellow zig-zag lines

Can’t walk to school? … ‘Park and Stride’ instead
It’s better and safer for you, your child, and other walkers

Walking half a mile only takes between 8 and 17 minutes.

How many calories you burn depends on how fast you walk, too!

Walking this short distance contributes to the recommended daily physical activity for you and your child(ren).
