<p>Weekly eligible rent/Council Tax This is the amount of rent/Council Tax that we take into account when working out how much benefit you are entitled to.</p>	<p>You may be entitled to further assistance. Please contact your local Job Centre.</p>		<p>Assumed income from capital This can also be called tariff or notional income and must be included in the calculation of your benefit. This is not the actual interest earned or actual dividends received.</p>																																																							
<p>Non-dependant deductions This section shows the names of anyone over 18 who lives with you (excluding your partner), their income and the amount of any deductions we have to make from your benefit because of this.</p>	<p>Claim: 31616005 CLM303 Page 1 of 1</p> <p style="text-align: center;">IF YOUR CIRCUMSTANCES CHANGE, PLEASE TELL US IMMEDIATELY.</p>		<p>Income we ignore This is any income that we don't take into account. More information.</p>																																																							
			<p>Applicable amount This is the amount of money that the government says that you (and your family) need, to have a basic standard of living after household costs have been taken into consideration. These figures are set by the government each year.</p>
