NOTES

To go with Application for Licence under the Dangerous Wild Animal Act 1976

1. This application is solely for the purposes of the Dangerous Wild Animals Act 1976. It is not for Planning consent or Building Regulations approval. Any licence given by the Borough Environmental Health Officer will **not** grant planning consent, building regulations approval or give any other approval or consent under any other statutory power or provision. Please ask the Borough Planning Officer or your solicitor whether approvals or consents are required.
2. All licences expire on the 31st December of the year in which the licence is issued. However, it is possible to apply in advance for a licence to start in the next calendar year (eg. from 1st January) provided the applicant makes this clear on the application form. A new licence must be obtained every year.
3. It is important to describe briefly those parts of the premises which are to be licenced.
4. If you have been convicted or disqualified under the specified legislation, please contact this office for further advice. If you have been convicted of another type of criminal offence, please send details.
