The effects of the proposed Order would be as follows:-

### **Brighton & Hove Various Controlled Parking Zones Consolidation Order 2018 Amendment Order No.\* 202\* (TRO-8a-2021)**

The Order will introduce kerbside restrictions where permit holders and visitors may park within Controlled Parking Zone 10. Permits will be issued to residents, the cost of which is currently £110 per year for a first permit (Please note there is a 50% increase for high emission vehicles and a 50% reduction for low emission vehicles and costs for additional permits increase). Disabled residents who have a Blue Badge and wish to park in resident parking places will be required to purchase a resident permit for a small administrative charge only (currently £15 and for low emission £10). A resident for the purposes of this scheme is a person aged 17 years or over whose usual residence is at premises, the postal address of which is in any of the qualifying streets specified below:-

**Controlled Parking Zone 10:** Bavant Road, Beacon Close, Cornwall Gardens, Ditchling Road (From No.351 to Surrenden Road), Draxmont Way, Fairlie Gardens, Friar Crescent, Friar Road, Friar Walk, Harrington Road, Harrington Villas, Hollingbury Copse, Knoyle Road, London Road (east side- From Clermont Road to Surrenden Crescent), Poplar Close, Preston Drove (North side – From Preston Road to Harrington Villas. Business permits will be issued to businesses located within the area of the scheme if they can prove a genuine business need for a vehicle on street. A maximum of 2 permits may be applied for by a business and they will be subject to criteria determined by the Council with each permit currently costing £450 per year (Please note there is a 50% increase for high emission vehicles and a 50% reduction for low emission vehicles).
