

One Journey Better

to work

Active and Sustainable Travel Resource Pack

This resource pack will enable your workplace/ organisation to promote, raise awareness and encourage more active and sustainable travel:

eCargo Bike Accelerator Project – Is your business looking to reduce its carbon emissions? An e-Cargo bike might be the answer. Find out more about our Accelerator Project [here](#).

BTN Bikeshare – Be a part of our award-winning bike hire scheme. Hire a bike anytime, anywhere with the city's bike share scheme. Register and sign up [here](#).

City Cycling Skills – Brighton & Hove City Council offers subsidised adult cycle training courses – Encourage your staff to register and sign up [here](#).

Online Cycle Map – Find quick or scenic cycling routes across town using our online map [here](#).

Green Commute Initiative – Boost your green credentials and your offer to employees by joining a not-for-profit Cycle to Work Scheme. Find out more [here](#).

Brighton & Hove Buses travel deals – Find out more about travel deals with B&H Buses [here](#)

Need some help to create your own tailored workplace travel action plan? Find out more here.

For advice, support or questions about active and sustainable travel get in touch by email at transport.projects@brighton-hove.gov.uk or call 07834 11504
