

# **BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984**

**Brighton & Hove Various Controlled Parking Zones Consolidation Order 2018 Amendment  
Order No.\* 202\* (TRO-24-2021)**

## **STATEMENT OF REASONS**

### **Cycle Parking:**

The amendments are proposed as part of a collection of measures on Portland Road designed to improve the safety of the side road junctions specified by reducing traffic speeds and improving visibility. The measures will be particularly beneficial for vulnerable road users such as pedestrians and cyclists and will also improve access for those with mobility difficulties by reducing the width of these road junctions.

### **Road Hump:**

A flat top road hump is proposed at the junction with School Road and Portland Road to slow traffic speeds and improve access and safety for pedestrians. This improvement will be particularly beneficial for visitors and pupils of Hove Junior School.
