

# **BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984**

**Brighton & Hove (Prohibition of Driving) (Sydney Street) Order 2021 (TRO-31-2020)**

## **STATEMENT OF REASONS**

An experimental order prohibiting driving in Sydney Street has been in place since July 2020, following comments to the order it has been agreed to keep the prohibition but with a slight change to the hours following consultation with stakeholders. This will ensure that the road is safer for pedestrians and cyclists with clearer restrictions in place. The slight change ensures that businesses have ample time for deliveries.
