

# **BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984**

NOTICE is hereby given that Brighton & Hove City Council (“the Council”) has on 23<sup>rd</sup> August 2023 made the Orders named below under the relevant sections of the Road Traffic Regulation Act 1984 as amended which when they come into operation on 4<sup>th</sup> September 2023 will introduce a new controlled parking scheme in the Hallyburton Road area (“Controlled Parking Zone 11”). The effects of the proposed Order would be as follows:-

## **Brighton & Hove Various Controlled Parking Zones Consolidation Order 2018 Amendment Order No.15 2023 (TRO-33a-2022)**

The Order will introduce kerbside restrictions where permit holders and visitors may park within Controlled Parking Zone 11. Permits will be issued to residents, the cost of which is currently £131.40 per year for a first permit (Please note there is a 75% increase for high emission vehicles and a 25% reduction for low emission vehicles and costs for additional permits increase). Disabled residents who have a Blue Badge and wish to park in resident parking places will be required to purchase a resident permit for a small administrative charge only (currently £15 and for low emission £10). A resident for the purposes of this scheme is a person aged 17 years or over whose usual residence is at premises, the postal address of which is in any of the qualifying streets specified below:-

**Controlled Parking Zone 11:** Dorothy Road, Florence Avenue, Gladys Road, Hallyburton Road, Isabel Crescent and Margery Road

The Order also introduces to the scheme area visitor, business and carer permits all of which will be subject to restrictions. Briefly, in the case of visitor permits, applications will only be accepted from residents within the area of the scheme, there will be a limit of 100 permits issued to a resident in any 12 months period and each permit will cost £2.80 per day. Business permits will be issued to businesses located within the area of the scheme if they can prove a genuine business need for a vehicle on street. A maximum of 2 permits may be applied for by a business and they will be subject to criteria determined by the Council with each permit currently costing £448.95 per year (Please note there is a 75% increase for high emission vehicles and a 25% reduction for low emission vehicles). A carer permit can be applied for if the carer, who does not have to be a resident, has to visit a resident (or residents) within the area of the scheme and that resident is in need of a carer by virtue of age and or physical/mental infirmity or is a woman requiring ante or post-natal care. The carer scheme is for non-professional carers.

Please note generally that in respect of the issue of any of the types of permit referred to above, the Council will exercise its discretion to ensure as far as possible that any priority groups are issued with permits first but the Council cannot guarantee that everyone will be issued with a permit or that a parking space will be available.

The costs and types of permits on the initial notice and order advertised have changed, these are reflected on these documents. These changes were agreed at Budget Council on 23<sup>rd</sup> February 2023.

Parking places of the following types will be introduced in Controlled Parking Zone 11 with the hours and eligibility shown below:-
