

BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984

Brighton & Hove Various Controlled Parking Zones Consolidation Order 2018 Amendment
Order No.* 202* (TRO-45a-2023)

Brighton & Hove (Prohibition of Driving) (Whitehawk Road area, Brighton) Order 202* (TRO-45b-2023)

STATEMENT OF REASONS

As part of the Council's Pedestrian Crossing Priority Programme, we are planning to implement improvements at the Whitehawk mini-roundabout (junction of Whitehawk Road, Arundel Road, Bristol Gardens and Roedean Road). These works are taking place to improve the safety of this junction by upgrading infrastructure, and will allow for easier and safer journeys for pedestrians, cyclists and road users.

- **Closure of eastern end of Bristol Gardens to motor vehicles to prevent rat running and speeding.** This will remain open to pedestrians and cyclists and provide more space for pedestrians.
- **Removal of roundabout and introduction of raised junction** to encourage vehicles to slow down on approach.
- **Pavement widening.** The pavement will be extended around the junction to provide additional space for pedestrians.
- **New Zebra crossing on Roedean Road.** This will give pedestrians extra priority and provide a safer crossing route to The Brighton Waldorf School.
- **Improve pedestrian crossing points on Whitehawk Road and Arundel Road.** This will provide safer crossing points for pedestrians.
