

BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984

Brighton & Hove (Speed Limit) Consolidation Order 2016 Amendment Order No.* 202* (ref: TRO-46a-2023)

Brighton & Hove (Coldean Lane) Prohibition of Right Turn Order 202* (TRO-46b-2023)

STATEMENT OF REASONS

Brighton & Hove City Council propose to extend the 30mph limit to north-west of A27 road bridge (169 metres from Hawkhurst junction) and provide a village gateway on Coldean Lane to raise awareness to motorists travelling southbound to reduce speed, propose a prohibition of a right turn in Denman Place to improve safety and prevent build-up of traffic travelling towards the A27 and to relocate the existing bus stop in Coldean Lane

The proposed changes are part of the highway improvements to the new development at the land to the east of Coldean Lane. The development will provide a new road access junction, direct pedestrian footpath links and road crossings with pedestrian refuge island to connect the proposed footpath with the existing footways to Beatty Avenue.
