

BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984

**Brighton & Hove (Prohibition of Motor Vehicles) (Schools Streets) Order 2021
Amendment Order No. * 2025 (TRO-14-2025)**

STATEMENT OF REASONS

The Council's reasons for proposing the following orders are set out below: -

In a "School Streets" scheme, all non-exempt motor vehicle access to streets near school entrances is restricted during school drop off and pick up times, principally to reduce vehicle congestion around the school gates and improve road safety. This also encourages and better enables active and sustainable travel by children and their parents/carers on the school journey. In October 2021 the Council mandated the delivery of a School Streets programme within the prevailing national and local policy context.

In service of the fulfilment of a School Streets scheme at St Andrew's Primary, Haddington Street will be closed to non-exempt motor vehicle traffic at Blatchington Road at school drop off and pick up times.

Further, in service of the fulfilment of a School Streets scheme at Bilingual Primary, The Droeway will be closed to non-exempt motor vehicle traffic at a point just east of the driveway of the Legal and General office development, at school drop off and pick up times.

The enforcement hours for these sites will be Monday to Friday 8.15am to 9.15am and 2.45pm to 3.45pm -Term Time Only.

Dated: 1 August 2025
