

BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984

Brighton & Hove (Various Restrictions) (Stroudley Road) Experimental Order 2025 (TRO-17-2025)

STATEMENT OF REASONS

The Council's reasons for proposing this order is to manage the road space which helps with the facilitating the passage of vehicular traffic on the road. It is also proposed for the following reasons:

To introduce a coach pick up point in Stroudley Road to provide better connections between coaches, trains and taxis. This will involve the creation of new Bus Stands to facilitate the coach operator. Due to the size of the coaches and the width of Stroudley Road it will be necessary to make Stroudley Road one way from the mini roundabout heading north.

This will benefit the city by connecting all the travel modes in one place and provides the residents choices.
