

# **BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984**

**Brighton & Hove (Parking Changes) (St Aubyns South) Experimental Order 2026  
(TRO-04-2026)**

## **STATEMENT OF REASONS**

The Council's reasons for proposing the following orders are for facilitating the passage of vehicular traffic on the road by increasing the provision of parking for Blue Badge Holders following the need to remove blue badge parking due to early pre-commencement works associated with the delivery of the new King Alfred Leisure Centre.

An experimental TRO is needed so to test the feasibility and the bays in response to the changes in traffic flow and other disruption arising from the redevelopment of the King Alfred site.
