HIGHWAY LICENCE

Brighton & Hove City Council, in exercise of their powers the Highways Act, hereby grant permission to deposit or cause to be deposited plant in accordance with the above application and subject to any conditions set by the council.

Special Conditions:

Licence Number Signed(Authorised Officer)

Date Name

For the Executive Director, Environment, Economy and Culture
Brighton and Hove City Council **Price 2019-20: £100 a week**

**SCHEDULE OF MINIMUM REQUIREMENTS FOR
CRANES, TOWER CRANES, MEWP AND ANY OTHER HIGH ACCESS PLANT
TO BE PLACED UPON THE HIGHWAY.**

1. Please note if the item is to be placed in an area with parking restrictions then a parking bay suspension may be required. Please visit <https://www.brighton-hove.gov.uk/content/parking-and-travel/parking/parking-suspension-reserve-a-parking-bay>. A minimum of 7 days' notice is required.
2. If the item will close or obstruct a footway or carriageway a temporary traffic order may be required (6 weeks' notice is required for Traffic Orders.) A traffic management plan must be supplied with this application.
3. All items shall be deposited in the licensed position only without impeding the surface water drainage, or obstructing any manhole or the apparatus of any undertaker as defined by the New Roads and Street Works Act 1981 or the Highways Authority.
4. No item shall be positioned to obstruct access to any premises, unless the consent of the occupier of those premises has been obtained.
5. Each placement shall be marked, guarded and lit.
6. Any required traffic management must be erected in accordance with the Traffic Signs Manual Chapter 8, both on the footway and highway.
7. No item shall remain on the Highway after the expiry date of the Licence issued.
8. The Highway shall be left, at all times, in a clean and tidy condition.
9. If Temporary walkways for pedestrians are required they must be at least 1200mm in width. Dropped kerbs should also be provided.
10. The Licensee should carry out a condition survey of the public highway before placing the items; this survey should be available to Brighton and Hove City Council upon request.
11. The Licensee is responsible for any damage to the highway however caused by the works. Brighton and Hove City Council will repair any defects and seek to recover the costs from the licensee.
12. The Licensee shall permit access to the council or to any undertaker as defined by the New Roads and Street Works Act 1984, removing any obstruction as necessary to provide such access.
13. The Licensee shall indemnify Brighton and Hove City Council against all claims for legal liability arising from the issue of this Licence.
14. These requirements shall be deemed to be terms of the licence only insofar as they do not conflict with or duplicate any other legal requirements. Any failure on the part of the licensee to comply with the above conditions will result in the revoking of the permission granted.
