

THE LEVEL – WILDLIFE AND CONSERVATION

Join us on The Level

The Level has won awards for its excellent conservation and gardening practices.

- ✓ The gardens are designed and carefully managed and maintained to support insects and pollinators, eg bees & butterflies
- ✓ The Level is a pesticide-free zone
- ✓ We have a 'Bee Bed' on the park's north-west corner
- ✓ A weekly volunteer garden club helps people learn and develop skills around sustainable horticulture
- ✓ The onsite Garden Manager produces regular conservation and newsletters
- ✓ We conduct walks and talks to inform people about conservation
- ✓ The park's plants are being databased to help people learn plant identification and suitability for certain conditions
- ✓ We have created a butterfly garden near the café
- ✓ There is a rain garden and drought-resistant planting
- ✓ The park's herb garden supplies the café
- ✓ The café's coffee grounds, teabags, and ash from its pizza oven, go into the garden compost
- ✓ 95% of garden waste produced onsite is recycled
- ✓ There are two drinking water fountains onsite
