

QD27 Protection of amenity

Planning permission for any development or change of use will not be granted where it would cause material nuisance and loss of amenity to the proposed, existing and / or adjacent users, residents, occupiers or where it is liable to be detrimental to human health.

- 3.118 When determining planning applications the planning authority will endeavour to protect the amenity of an area, its users, residents and occupiers, including a development's future users, residents and occupiers. Residents and occupiers can be seriously affected by changes in overlooking, privacy, daylight, sunlight, disturbance and outlook. Disturbance includes factors such as speed, volume and type of traffic, noise, artificial lighting, smell and other pollution, erosion and flooding. The policies in this Plan dealing with these factors will be applied rigorously where new development, including alterations and extensions, unduly affects an area and its users, occupiers and residents.
