

Park safe, Walk safe Banner Competition

Use the other side of this sheet of A4 to do your banner design.

Use the whole sheet – work right up to the edges of the paper.

Remember what we want to tell drivers.

Here are some ideas for your design:

- Do not stop your car on the zig-zag lines
- It is illegal to park or 'stop and drop' on the zigzags
- Walking, scooting and cycling is good exercise - its keeps us healthy and is good for our hearts
- Try 'Park and Stride' - park at least 5 or 10 minutes away from the school and walk the rest of the way
- It is not safe or caring to park in the road directly outside the school
- It is better for our air quality to walk to school
- It is not safe to park in the street outside the school gates because it's difficult for pupils to cross the road

Use **clear messages** and **bold** clear colours and design (felt tips preferably) to make it easier for people to read and understand our message.
